EASTSIDE

By MRS. MERLE O'NEIL

A large crowd attended the funeral of Mrs. Mary Miller, which was held at the Baptist Church in New Pine Creek, Saturday afternoon. The many beautiful floral offerings which decorated the church represented the high esteem in which she was regarded by all.

Aunt Mary as she was familiarly called by all who knew her, will be greatly missed by her many friends and relatives. Raymond Cook of this community was her grandson.

Charlene Rector, Lakeview, has been spending this week at the home of Zelda O'Neil.

Neal Elliott purchased 12 registered ewes and one buck at the ram sale last week in Albany. He and Mrs. Elliott trucked them home.

Mr. and Mrs. William DeVaul were visiting with friends at the home of Mr. and Mrs. John Richardson, one day recently.

They were here in Lake County transacting business as they recently sold their property in Barnes Valley. They have been staying at Grants Pass with relatives.

Gordon Cogburn accompanied by Bob McPherson, Lakeview, motored to Corvallis Friday where they planned to spend the weekend visiting with friends.

Mrs. Berl Cogburn accompanied by Mrs. Smith and Gertrude Vernon left Sunday for their home at Porterville, Calif., after visiting here for several days with relatives and friends.

They planned to go by Crater Lake and view the scenery there on their return trip.

Mr. and Mrs. Clayton Bradley motored to Eagleville last Saturday evening where they attended the barbecue and dance which was held there. They reported a most enjoyable evening.

Roche Allard is erecting a garage near his home. They have just recently built a chicken house which is nearing completion.

Mr. and Mrs. C. A. Nicholas, Tennant, spent last weekend with her parents and brother at the Cleve and James Snyder homes. Their two sons have been spending the summer months here.

Jack Nicholas left Saturday for his home at Tennant, while the other brother will stay awhile longer.

Mr. and Mrs. Bill Kelso and girls attended the Elks picnic which was held on Sunday.

Mr. and Mrs. Les Pardue and children visited Wednesday evening at the home of Mr. and Mrs. Merle O'Neil and family.

Mrs. Fred Longfellow recently received an invitation to attend a family reunion which was held at Gateway, Ore., on Aug. 10. They were unable to attend, because of the busy time of the year.

This reunion is held each year, in honor of John and Mary Metzker who crossed the plains with their children in the early days. One of their sons Jim Metzker, (father of Mrs. Fred Longfellow, John and Clarence Metzker and Mrs. John Lewis) at one time operated a sawmill in Camas and at the old 7-up place somewhere in the Thomas Creek area. He and his father, John, were partners in this venture, and were well known by the old timers in and around Lake County.

At present there is only one of the children living of the original 17, and she is 80 years old. Her name is Mrs. Julia Alder and she lives somewhere near Gateway. Each year the clan get together and talk over old times, and try to keep in touch with each other.

RUSSIAN AUTO REACHES U.S.—Celio Jensen of San Pedro, Calif., stands beside a Russian Probeda, an automobile that looks like a 1939 Ford with an Oldsmobile grill. The car recently arrived in San Pedro by boat from Finland where Stanley Slotkin, an American businessman, bought it for $1500 plus tax. Slotkin said he smuggled it out of Helsinki—he won't say how—and believes the Probeda is the only one of its kind in this country.

WTC - Camp 6

By DOROTHY FAIRFIELD
For Eleanor Thomson

Camp has been the site of thunder showers for the past few weeks. The only excitement it caused was when lightning struck close by and everything in Mrs. Vivian Huck's kitchen threw sparks. She gave a few observing people quite a show when she ran from her house screaming.

We have a young couple from Student Missionary Council, Mr. and Mrs. Burkheart, here. They have a Sunday School every morning from 8:00 till 11:00; all the children of Camp attend regularly.

Mrs. Eleanor Thomson received a telephone call from Sidney, Montana, that her father had died. She left Monday evening to attend the funeral. Her youngest daughter, Jeanne, went with her.

This would be a good one for "It Happens Every Time." George Smith had an automatic washing machine and dryer installed a little over a month ago and he has just finished installing a bathroom. Now he and his wife, Hazel, are moving to Bly. He is taking a new job of janitor of Bly School. He has driven school bus for the past three years and has been able to get to Bly when no one else could. He is well liked by every child in Camp.

Only two ladies had their chest X-rayed in Bly. Mrs. Bell Glassburn and Mrs. Bessie Morehead.

Mr. and Mrs. Everett Heywood have been on vacation for the past three weeks. Mrs. Ramona Marks and her husband Harold, I must put his name in, he was greatly upset when the last news came out and only his wife was mentioned as staying the Heywood place, are still with us. Now say that without taking a breath.

DIPLOMATIC IMMUNITY

TOKYO (AP)—Japan has accorded diplomatic privilges and immunities to United Nations representatives and officials in Japan "on the business of the United Nations." Apparently the agreement applies to U. N. representatives and officials and not to U. N. soldiers, since a separate agreement covering U. N. troops is being worked out. The Japanese Diet has approved the diplomatic agreement, which remains in effect for five years.

Opportunity Knocks

but once (so the saying goes) and most of us when THAT happens never hear the knock . . . we're in the back yard pulling weeds . . . picking sweet peas. LAPOINTE'S don't do things that way . . . they're right there at the front door . . . open it and have the SCOOP of the month. Martha is proud to announce that JACK BRAUNSTEIN, INC. of New York has chosen LAPOINTE'S as their representative in Klamath Falls. BRAUNDA'S blithe spirited lines will win the hearts of the teen-ager and matron alike. Coats in nubby Karim cloth . . . in sleekly brushed poodle . . . rough textured . . . all wool linings. Let winter HOWL in '53 as it did in '52! Smooth shoulders . . . full sweeping lines . . . versatile enough for any wardrobe. BRAUNDA captures an artists palette in fabrics for dresses that are crease resistant, perspiration proof, water repellent. Woven stripes simply MELT in muted colors. LaPOINTE'S

Toast a slice of angel cake and top with crushed frozen strawberries. Garnish with whipped cream or serve with plain cream if that's your choice for short cake.

What more delightful gift for the new home, or, for that matter for the home that's long since had everything than an ash tray and cigarette box to match the drapery fabric, wallpaper or any other bit of decor.

The smartest single accessory among fall fashions this year is the stole, widely available in various forms and prices, already seen at beaches . . . teas . . . evening formals.

Frozen meat may be dipped for five seconds in fresh lard, heated to 200 degrees F., if there is a shortage of wrapping paper. The film of lard that adheres to the meat keeps it from drying and makes more gravy when the meat is cooked. Place pieces of paper between the lard wrapped bundles before storing in your freezer. Works fine.

There's Nothing Like
