FORT ROCK
By ROBERTA MCGEE
Sunday afternoon August 11, members of the school board work in the school house assembling the new desks and the women worked in the teacherage preparing the house for the new teacher. The school board members are preparing the school house for the children, are you parents preparing your children for the school term? By that I mean, have their teeth and general health been checked, so as not to have them lose time in their studies during the school term.

Chub Frazer was obligated into the Fort Rock Grange, Saturday evening, August 9.
The lecturer's program during Grange heard Donald McGee read how the Elephant vs. Donkey Party Symbols originated.

Margaret Kaley presented a monologue of a Grand Vacation which had us all give out with a good hearty laugh ever so often.
A reminder that the next meeting will be September 13 and our Harvest Festival will be held that night. Members are asked to show their hobbies, some of their canning and also some of their harvest from their fields. If any one has anything of interest they care to show they may display it that night also. Try to have cards with your name and article to place near your display. The Fort Rock 4-H group will hold its first exhibit of its projects the same evening. A program is planned for that evening.

Mr. and Mrs. Lewis Brattain, Sutherlin, visited with Mr. and C. C. Miles, Sunday, August 3.
Burton Brown and Owen Pletcher made a business trip to Brookings, Aug. 2 and returned Aug. 5. Burton's parents, Mr. and Mrs. Owen Brown live at Brookings and the boys visited with them while they were there.

Louise Jordan, Gilchrist, is now working for Howard McGee, he will finish the summer here before returning to high school.
Charlie Stingley and Mrs. Leon Gilder and Bobbie were business visitors in Bend, Wednesday, Aug. 6.

Helena Parks entertained the ladies who met at her home, Wednesday afternoon, Aug. 6, to work on the quilt. The ladies had about half of the quilt blocks sewed and will soon start joining the blocks. Those of you Grange ladies

It Happened This Way in New Pine Creek

By IRVIN FARIS
Ah!—amid a settling equinox—where refreshments of delectables fitting to a king's taste abounded, Mr. and Mrs. Mark Hanna of the Willow Ranch Lumber Company, received members of an special agricultural sub-committee, at a lawn party on their premises last Sunday afternoon, Aug. 10.

Although the day was sticky — on this elevated location, atop a knoll overlooking the expansive Willow Ranch Company, it was cool and pleasant. Here they met an excellent view of the plant and of the great expanse of the Goose Lake Valley basin and how, geographically it formed a definite economic trading area completely embracing the communities of Willow Ranch, New Pine Creek and Lakeview.

Included in this special touring sub-committee of the House Agricultural Committee were: Rep. William S. Hill, Colorado; Rep. Charles B. Hoeven, Iowa; Rep. James F. Lind, Penn.; Rep. Walter M. Mumma, Penn.; Rep. Harold Patten, Arizona; and John C. Heinburter, council and committee executive officer, all of whom were designated to investigate the soundness of the comparatively newly formed Federal Sustained Yield Timber Units in certain western states. And—specifically in our area, to examine the controversial Lakeview Sustained Yield Unit which had its initial hearing in the Lake County Court-house, Tuesday, March 7, 1950.

Since this is the Willow Ranch Company, not wishing to see the principles of Americanism handed so ruthlessly and having a strong personal feeling for the welfare of its 200 or more employees, most of whom live in the New Pine Creek and a considerable number in Lakeview, this company, under the benevolent influence and guidance of Tom Daugherty, has strongly objected to his company's exclusion from the working circle. This objection was due largely to that clause or paragraph in the cut-and-hune-up-to-dry set-up where, the southern boundary was extended only 14 miles to the California-Oregon State line and was not designed to include the Willow Ranch operation. Also the remanufacture of lumber had to be within a 6 mile radius of Lakeview. Which is not designed in accordance with the original provisions of the Sustained Yield Unit Act, 58 Stat. 132; 16 U.S.C. Para. 583-5831, as approved by Congress March 29, 1944. This act was specifically aimed to sustain economic activity in a local area of counties brought together in a natural geographic trading area exactly as we have in Goose Lake Valley.

Due to Mr. Daugherty's firm and well-grounded objections, the Lakeview Sustained Yield Unit was pending a thorough investigation which the Department of Agriculture has seen fit to make at this time. This is one reason for the visitation by the sub-committee last Sunday.

The Willow Ranch Company is serving right now (and will do likewise in the future) as an insurance policy for the future prosperity of Lakeview and its taxpayers. We taxpayers of the Willow Ranch in Lake County by having the Willow Ranch Company in there bidding on the timber available. This unexaggerated figure could easily run into the hundreds of thousands of dollars on the twenty-five percent of timber sales alone which, by law, goes to school and road taxes, rather than letting all the bids for timber go for a minimum bid as has largely been done in the past.

To include the Willow Ranch Company in this working circle also offers the most logical, most ethical and the most Christian way of settling the very difficult question of economic survival. Inasmuch as this company is one of the oldest companies which has contributed to the economic welfare of the valley it should, by all means, be given an equal right of survival on the dwindling supply of timber. The company in the strongest position to stand on for the greatest prosperity of the whole valley should be given a fair break for survival.

For the sake of the greatest unity and prosperity amongst our people of Goose Lake Valley every one paying taxes in Lake County should vote and tell Congress so, that if the working circle is to be allowed to exist, the 6 mile remanufacturing limitation should be extended to include the Willow Ranch Company operation which at the present time is expanding its plant with a new \$250,000 building.

Mr. Mary Esther Miller, age 85, and an old time resident of the village who had lived here in the same dwelling for 48 years, passed away at her home last Wednesday, Aug. 6, at 12 o'clock after several weeks of illness. Her health had

who would like to help sew on the quilt and aren't able to attend these meetings, contact Mrs. Venita Branch or myself and we will show you how to go about it during your spare time.

Helena Parks served a lovely lunch after the meeting and before the ladies left for home we all sang "happy birthday" to Helena. Those present were: Mabel Moore, house, Zula Klerk, Hazel Ward, Margaret Kaley, Alice Miles, Venita Branch, Roberta McGee and guest Shirley Wilson.

Friday morning, Aug. 8, John Ransom who works on the log haul at the mill, got bumped with a log in the chest. He went to Bend for medical treatment. X-rays showed no broken bones, he is just sore. John returned on the stage Saturday morning.

Don't forget the 4-H cake walk and program here at the Fort Rock Grange hall, Saturday evening, Aug. 16, time 5 p.m. P.M. The public is invited to attend.

Burton Brown and Sharon Carpenter went to Redmond, Thursday, Aug. 14. Sharon stayed and visited with her aunt and uncle Mr. and Mrs. N. W. Enlow. Burton went on to Portland to get his cat motor which he had overhauled. They returned Saturday evening.

John Pittman, Bend, spent the weekend visiting with his daughter and son-in-law Mr. and Mrs. Delbert Rutherford.

Mr. and Mrs. Jerry Oule, Bend, and Betty Lyman Davena Rave visited with Mr. and Mrs. Delbert Rutherford, Saturday, August 9.

Mr. and Mrs. Arlie Cooper, Jefferson and their five children arrived Sunday afternoon to visit with Mr. and Mrs. Marvin Enlow. Mrs. Cooper is Mrs. Enlow's sister. Mr. Cooper returned to Jefferson Sunday evening and Mrs. Cooper and the children will spend the week here visiting.

Mr. and Mrs. Howard Luceford and two sons, Walton, visited with Mr. and Mrs. Arvon Derrick Aug. 7-8.

Mr. and Mrs. Jack O'Keefe and family of Bend and their son Leonard, who is home on a ten day leave from the Navy, visited with Mrs. Gordon and Josephine and Alice this weekend. Leonard is stationed in San Diego.

Mr. and Mrs. Bud Parks visited Bald Mountain looking over the terson after church, and had a nice visit with Mr. and Mrs. Carey. Dick Schaub and his nephew Fred Kaly were fishing in the Sycan and Aucar Valley region. Dick said the fish were biting good, but the mosquito's did them one better. They camped out Saturday to Sunday.

Mr. and Mrs. Ralph Perry and three children had Sunday dinner with Mr. and Mrs. Delbert Wilson. Mr. Perry is the minister for the Silver Lake Community Church and is from Eugene.

Mr. and Mrs. Ray Riddell and girls left early Monday morning, Aug. 11, for Yakima, Wash. They will visit relatives and also will move down their household belongings.

INDUSTRY NEEDS HELP
TOKYO (AP)—With the help of government subsidies, Japan's pearl industry hopes to reach its prewar level of exports by 1958. Exports now are about 131,200 ounces a year or one-third of the prewar output.

Hans Norland Fire Insurance, Phone 2-2515.

OSLO (AP)—Norwegian Prime Minister Olof Tor will arrive in New York Sept. 9 for a three-week visit to the United States. It was officially announced today.

By VIRGINIA TAYLOR
Here from Portland over the past week were Mr. and Mrs. H. C. Bourne, Mr. and Mrs. F. L. Bourne all spending an enjoyable time at the home of Mr. and Mrs. George Redmond and Mrs. E. L. Chamberlain. Redmond has taken over the management of the local Shell Station. They have two small fry.

Mrs. Robert Newton arrived from Monaca, California, to visit her mother, Miss Rebecca Gentry who has been operating the Porter Hotel this summer. Miss Gentry returned to her home in Hood River Monday morning. She has been ill and unable to carry on the hotel. She accompanied her mother and Mrs. John Crossen, Vacaville, Calif., who were houseguests at the High Pipers.

On August 6, Miss was said for the departed Minister, L. Holt at the Sacred Heart Church in Klamath Falls. Mr. Holt passed away a year ago that day in the Southern Pacific Hospital in San Francisco. Mrs. Holt resides here.

Mrs. V. L. Butler, Mrs. J. P. Jessup and Mrs. W. L. Taylor returned to Bend Aug. 8 to attend the Oregon Cancer Society Meeting and the Bend Flower Show.

Mrs. Brader was one of the five judges of the State Grange Camp competition made by the Bend Garden Club. She lunched with several members of the Garden Club at the Pine Tree Inn.

Mrs. Jessup and Mrs. Taylor attended the luncheon for the cancer society at the Pilot Butte Inn which was held in the Blue Room. Among the events that proved outstanding were short talks by various doctors, health authorities, public welfare, and the stressing of early diagnosis by all for the cure of cancer by the three known methods, X-ray, surgery and radium therapy. Among the doctors who spoke were Dr. James Stewart, of the Public Health Dept., Dr. A. Kinison, Prineville; and Dr. Macky, Bend. A cancer film will be shown in the near future in Chemult. Extra special recognition was given Mr. E. Smith of Klamath Falls for his work as chairman of Klamath County during the last Cancer Crusade.

The Air Corps and County Coordinator Reed were in Chemult asking for volunteers to help with the Ground Observer Corps and anyone interested in helping in this vital need are asked to contact Mrs. Grant Damon as soon as possible.

Three small boys and four larger boys, tennis with four to six cuts or bunks, housed each group. A letter was received from Mrs. Miller being one of two leaders of the larger girls' group.

There was swimming at Bend and numerous picnics and hikes so that the youngsters were kept enjoyably busy with periodic refreshments provided. Mrs. Miller said it was certainly a wonderful week for the children and that more grangers should see that their children got to attend the annual affair.

Mr. and Mrs. Roy Millap came to the campsite on Sunday for their daughter and were impressed with the beautiful camp, located in the National Forest, 12 miles west of Bend. Next year it is the plan of the State Grange Camp committee, to have their own swimming pool, which has already been laid out and also a ball park on the premises.

The East Side Home Economics Club has suspended their meetings during the busy harvest season and will not meet again until Sept. 18.

LEGAL NOTICE
ADVERTISEMENTS FOR BIDS
Sealed bids will be received on or before 2:00 p.m. Daylight Time, Friday, August 22, at the office of Howard B. Perrin, Architect, 1121 Main Street, Klamath Falls, Oregon, for alterations and additions to the new Office Building at Memorial Park. This building is approximately 30,000 sq. ft. in the center of the city of Klamath Falls and will cover an area of approximately 2,500 sq. ft.

There will be one General Bid which will include all items work specified in the specifications to bidding. Bidders must qualify prior to opening bids as prescribed by Chapter 225, Laws of Oregon, 1951.

Plans and specifications are on file at the Builders Exchange Co., Builders Exchange Building, Portland, Oregon. Bidding will be held at the office of Howard B. Perrin, Architect, 1121 Main Street, Klamath Falls, Oregon, on Wednesday, August 20, 1952, upon receipt of the plans in good condition.

The successful bidder will be required to furnish a bond in the amount of 10% of the contract price, and he shall be required to carry Public Liability Insurance as specified in the specifications.

A bidder's bond or certified check in amount equal to five percent (5%) of the lump sum bid must accompany the bid as a guarantee for the execution of the contract and in the event the contract is awarded to the Bidder.

The Mayor and Common Council of the City of Klamath Falls reserve the right to accept or reject any and to waive any informality.
