Police Chase, Arrest Two

Two young men were pursued and arrested last night by City Police for having themselves a race on Kit Carson way.

The two, who were fined $25 each this morning in Municipal Court for having a speed contest, were Howard John Cain, 1605 Portland, and Ralph Austin Hensley Jr., 707 Wendling, both 19.

Police reported the boys lined up their cars at the Kit Carson-Esplanade junction and took off. A police car followed and reportedly clocked the racers at 50 miles an hour as they passed the Portland Street intersection and 75 as they passed the city limits.

The cars were halted at the North entrance junction and Cain and Hensley were arrested.

Court Finds Mother Insane

WINSTON - SALEM, N. C. (AP)—Dr. Norma Holt, the woman doctor who two weeks ago stabbed three of her children with steak knives, one fatally, and then tried to take her own life, has been committed to the State Hospital at Raleigh.

A Forsyth County Superior Court jury yesterday found her mentally incompetent to stand trial for the Aug. 21 murder of her 3-year-old daughter Vickie.

Four psychiatrists testified that the 27-year-old pediatrician, wife of Dr. L. Byerly Holt, prominent eye specialist here, is "completely incompetent by reason of insanity."

Police said the other two children involved in the tragedy, Larry 9 months, and Anne, 4, have recovered from their wounds and are now living with relatives in Texas. Dr. Holt tried to kill herself after the stabbings with an overdose of sleeping powders.

The murder indictment brought by a grand jury is not nullified by the court's action, officials said. She must face trial if and when she is found mentally competent.

and was placed on probation for five years. On July 31 he was brought into court for violation of the probation order, but Judge Vandenberg extended the probationary period.

Then on Aug. 25 he was arrested again, this time charged with larceny by bailee in that he failed to return a car borrowed from Basin Motors, and District Attorney Frank Alderson moved to have the probationary sentence revoked.

Judge Vandenberg this morning withdrew the probation and sentenced Cochran to five years. The young man also pleaded guilty to the larceny charge.

Also to be sentenced Friday is Clifton O. Lee, 40, charged with forging a check for $42.95 and passing it at the Army Store here in 1950. He was secretly indicted Oct. 26, 1950, but at that time was serving a three-year federal sentence at Leavenworth, Kans., for forgery in Denver.

Upon his release from Leavenworth, Lee was brought here.

He also has served time in San Quentin and Folsom prisons for forgery.

Hoyt J. Kesterson, 23, held for violation of probation, was brought into court but his case was continued until morning, as was that of Michael Joseph Larkin, 28, who pleaded guilty to a charge of larceny from the person.

Kesterson was placed on three years' probation April 17 for burglarizing the home of a brother-in-law, Kenneth Nash, 2460 Oregon. Larkin is one of three persons accused of taking a small amount of money away from Paul Knauss, 2014 Beaver, July 26 during a drinking party at Knauss' home.
