**Merrill Park Has Fireplaces**  
MERRILL — Two outdoor fireplaces have just been completed at the Merrill recreation park. Constructed of tile, the fireplaces may be used for both cooking and roasting; however they will not be available for general use until the new lawn has had a chance to mature.

The fireplaces were constructed by Max Hartlerode and J. F. Burke free of charge, and the materials were purchased with funds from last year's Potato Festival. A picnic table will be added in the near future.
