*Heavenly car...*

It's the down to earth truth. Mercury has knocked the ground out from under the other cars in its price field for 1952. Look at that Forerunner Styling... with a completely new body, a new stronger frame, extra-height doors, and commodious new Space-Planned Interiors! And look at that Jet-Scoop hood... it not only lets you see the road better, but it houses a new 125 horsepower V-8 engine that has won the entire Mobilgas Economy Sweepstakes for the second time! The 1952 Mercury is out of this world! 3 transmission choices: Merc-O-Matic no-shift; Touch-O-Matic Overdrive; or Standard. First two optional at extra cost.
