

CORDUROY AND JERSEY—go-togethers that will take you sweetly from dawn to dark in a three piece coordinated group . . . corduroy skirt in tawny brown with brown and burnt orange striped wool jersey pullover and cardigan.

Recipe

September and the annual stuffing of school lunch kits is with us.

Crisp apples give spark and snap but in addition to the daily fresh fruit, apples can be used in other ways to add variety to the lunch menu.

Apple cider cake is a wonderful treat for kiddies, for autumn entertaining and just plain everyday good eating. This recipe makes 12 big servings so it is economical. Make it with country-fresh apple cider, makes a moist, rich, long keeping cake if the family doesn't find the hiding place.

APPLE CIDER CAKE

Sift flour before measuring. Use level measurements for all ingredients. Have all ingredients at room temperature (about 70°). Pre-heat oven to baking temperature, 350°, a moderate oven. Grease and flour 2 cake pans, 8-in. diameter, 1 1/4 or 1 1/2 inches deep. Sift together into a mixing bowl:

2 1/4 cups sifted flour
3 teaspoons double-action baking powder
1 teaspoon salt
1/2 teaspoon ginger
1/4 teaspoon nutmeg or mace
1 1/2 cups brown sugar (firmly packed, free from lumps)
Add:
1/2 cup high grade vegetable shortening
1/2 cup apple cider, poured over
1/2 cup coarsely grated, pared apple
1 teaspoon vanilla

Beat 2 minutes by electric mixer on medium speed, or beat vigorously with a spoon, approximately 150 strokes per minute. Scrape sides and bottom of bowl frequently. Then add:
1 1/4 cup whole eggs, unbeaten (3 large)
3/4 cup ground, or very finely chopped nuts

Beat 2 minutes more, scraping

bowl frequently. (Although the total mixing time is 4 minutes, when beating by hand you may rest as often as necessary; but be sure total beating time remains 4 minutes.) Pour batter into prepared pans and bake in preheated oven for 30-35 minutes. Remove from oven and let layers stand in pans a moment before turning into wire racks to cool. When cold, put layers together with cooked apple cider filling. Spread sides and top of cake with cider frosting. Before serving, let cake stand in a cool place to "set", about 1 hour, 12 servings.

APPLE CIDER FILLING

Measure into a small saucepan:
1/2 cup coarsely grated, pared apple
1-3 cup strained orange juice
1-3 cup sugar
1/2 teaspoon salt

Stir to combine ingredients then bring to a boil. Blend in 3 table-spoons cornstarch, mixed with 1-3 cup apple cider. Continue cooking, stirring frequently, until thickened and smooth, about 5 minutes. Remove from heat and add 1 table-spoon strained lemon juice. Cool thoroughly, before spreading between cake layers.

DELICIOUS
To prepare a delicious luncheon dish put a layer of chopped cooked hot spinach in a baking dish and pour a cheese sauce over the spinach. Make four depressions. Place a anchovy and egg, and sprinkle with poached egg in each depression. Bake in a hot oven. Brown under the broiler.

CLOROX provides more than whiteness...it makes linens **SANITARY, too!**

Clorox is the most efficient germ-killer of its kind. Besides making white and color-fast cottons and linens snowy-white and color-bright, Clorox makes them hygienically clean...provides added health protection!

There's no better friend for laundering than Clorox, the 4 in 1 product that bleaches, removes stains, deodorizes and makes linens sanitary. And Clorox is free from caustic, extra gentle on fabrics...an important, linen-saving feature exclusive with Clorox! So, to conserve linens...to protect health...use Clorox every washday!

And CLOROX kills germs in everyday cleaning, too!

Yes, you safeguard your family's health every time you use Clorox...not just on washday. Bathroom and kitchen germ centers are hygienically clean when they're Clorox-clean...for Clorox is one of the world's great disinfectants, a type of disinfectant recommended by public health authorities! See directions on the label.

CLOROX America's Favorite Bleach & Household Disinfectant

When it's CLOROX-clean...it's SAFER for Family Health!
