**TWO MEN WHO** escaped from the Oregon State Prison Monday afternoon, apparently by riding out on the back of a truck, were Gerald T. Macomber (left), serving life from Jackson County, and Charles P. Crozier, serving 10 years from Klamath County for larceny of an automobile. Both men are considered extremely dangerous. Macomber shot a State Police officer in Jackson County, the crime for which he was sentenced. Crozier attempted to break away from an officer while en route to prison after receiving his sentence here in February, 1951.

### Council Due For Camp Fire

Camp Fire Girls will hold their annual Grand Council Fire, Sept. 24, at Altamont Junior High School. The program has been planned around Camp Fire's national theme for 1952 "Design for Friendship." Girls from all over Klamath County and Doris will take part.

Mrs. Bruce Wirth is chairman of this important Camp Fire event and announces that "This year we expect an even larger number of girls and leaders to take part. If weather permits the Council Fire will be held out-of-doors and every effort is being made to make this the very best Council Fire ever held in Klamath Falls. The most beautiful Council Fires are usually held at Summer camp where the woodland setting adds so much to the ceremony. By holding this one out-of-doors, it is hoped that we can bring some of this beauty of campfire ceremony into the city.

The program will begin promptly at 7:30 p.m. and if the weather should be cold or stormy, it will be moved indoors at Altamont Junior High School. The public is cordially invited to attend and is asked to bring blankets or pillows to sit upon.

Mrs. Wirth is being assisted by Mrs. Earl Clark, Mrs. George Proctor, Miss Delores Klöder, Mrs.

Dean Miller, Mrs. Chas. Johnson and Mrs. Harry Lanphear. The Camp Fire Girls program is made possible in Klamath County by the Klamath County Community Chest.

### Induction For Local Men

Two Klamath County men left by train this morning for Portland to be inducted into the Army.

They are Calvin C. Cornett, 27, of Route 2, Box 974-A, and James Gillis Hannigan, 27, of Chilcoquin. The Selective Service office reported the men would be inducted at Portland and sent to Fort Lewis, Wash., for classification.

### look at these features:

- POWER PRE-WASH.** Food particles missed in scraping are whisked away and out of the dishwasher by a preliminary power wash. This also pre-heats dishes — extra assurance that your plates will come out clean, shining.
- HIGH WATER TEMPERATURES.** Calrod® heating unit provides extra heat the instant dishwasher starts. This unit serves to maintain wash and rinse water temperatures for best dishwashing results.
- CIRCULATED, WARM-AIR DRYING.** Drying is accomplished by fresh air drawn into the tub, warmed by the Calrod heating unit, circulated throughout the washer by the impeller, and blown out through the two front vents.
- UNIFORM WASH-ACTION.** The Wash-action Regulator controls the flow of water to the impeller, and provides smooth, efficient washing action whether the dishwasher is fully or partly loaded.
