

FOUND SLAIN—Betty M. Baron (above), 25, of Los Angeles, was found shot to death with Adrain L. Grodnick, 19, son of a wealthy New York manufacturer, in their lavish penthouse in the Flamingo Hotel, Las Vegas, Nev. They apparently were on their honeymoon, although no record of their marriage was found. This picture was made at the time of Miss Baron's graduation from UCLA in 1949.

Rancher Tells Of Murder

PHOENIX, Ariz. (AP) — A cattle rancher has confessed the strange killing of a Yaqui Indian woman suspected by her neighbors of being a witch, Sheriff Cal Boies said today.

Boies identified the rancher as Joe S. Chaves, 42, Mesa, Ariz. "Sure I killed her," Chaves was quoted as saying.

"She was a witch."

"She sprinkled powder on my wife in 1942 and she started to go blind. Doctors, healers and all the others couldn't help her. I spent a lot of money and traveled many miles trying to get her cured, but she just got worse."

The dead woman, Mrs. Maria Estrella Miranda, 41, was found last Friday sprawled over a chair in her home on the fringe of Guadalupe, tiny Yaqui village some 10 miles southeast of Phoenix. She had been shot through the neck and arm and a bullet had grazed her head.

Chaves, jailed without bond, claimed there had been marked improvement in his wife's condition since the slaying.

Mrs. Chaves told reporters she could now distinguish between dark and light for the first time since she was struck blind.

John J. Flynn, assistant Maricopa County attorney, said first degree murder charges would be filed.

Lehman Raps McCarthyism

NEW YORK (AP) — Sen. Herbert H. Lehman (D-N.Y.) said today that "McCarthyism" is endangering this nation's civil liberties and destroying the people's faith in freedom and democratic principles.

In a speech prepared for delivery before the AFL National Convention, Lehman also said the Taft-Hartley Act "must and will be" repealed.

"Civil liberties include the freedom to think, write and speak as one pleases," the senator said. "... and above all to worship God as one chooses."

"Today, the greatest and most immediate danger to our civil liberties is from what we call McCarthyism. The deadly and infectious quality of this danger was never so clearly demonstrated as by the results of the Wisconsin primary election last week."

Although Lehman never mentioned him by his full name, he was referring to Sen. Joseph R. McCarthy (R-Wis.) who last week was overwhelmingly chosen as GOP nominee for re-election to the U. S. Senate.

Lehman said "the McCarthyites unquestionably have an appeal. They come before the people as super-patriots. They thrive on fear, they revel in it."

Another speaker at the convention today will be Sen. Wayne Morse (R-Ore.).

Quakers Have Peace Plan

LONDON (AP) — British Quakers say they have sent Prime Minister Winston Churchill a four-point plan for peace in Korea.

The plan announced by the 20,000 strong organization calls for an immediate cease-fire based on agreements so far reached in the truce negotiations. The thorny prisoner-of-war question would be taken over by either "a commission representing a few Asian governments in which both sides have confidence or a mixed commission of two appointed by each side."

The plan called also for "full use" of India's good offices in all peace negotiations and for each side to stop press and radio statements "imputing evil motives to the other side."
