Her music scholarship granted last year has been renewed. Last year, she was chosen to appear as soloist with the university's Men's Glee Club.

Chiloquin Gets Better Phones

Telephone users in the community to contact the operator by lifting the receiver, instead of having to ring a bell run by batteries in the individual houses.

A further service will be that the operator can see at a glance by lights on the board, when parties have finished their conversations and have hung up the receivers. Until now the operator has had to monitor each call, asking on each line "Are you finished?" This will speed the action of the board.

Those who have been working on the change have been A. M. Denio of Lakeview, district manager, Bill Combs, construction man of the Lakeview office, Gordon Markley and Gene Marker, both of Everett, Wash., at the head office. Mrs. Ursula Bond is the local office manager.

Forger Held In California

Robert K. Hand, wanted here for forgery, is held in jail at San Bernardino, Calif., Sheriff Red Britton said today, and has waived extradition.

Deputy Sheriff Dal Reed is en route to the California city to return Hand here.

The youth is named in a charge involving a \$40 check cashed at Walt's Cafe March 31, 1952. Dallas Laverne Cochran, also named in the forgery charge, already has been sentenced to a five-year term in prison.

Chiloquin — The West Coast Telephone company is completing extension of its local service today, a project started seven weeks ago. A complete battery system and new board is being installed which will allow the individual houses.

Wreck Victim Said Critical

A Medford woman, Mrs. Lucille Martha Larson, who was injured in an auto accident last Friday afternoon near Gilchrist, still has not regained consciousness at a Bend hospital.

She suffered severe head and hip injuries, and her condition was reported as critical today.

Another woman hospitalized, Mrs. Mary Emily Brown, Medford, also suffered head injuries, but her condition was reported as good.

The two women were passengers in a Buick coupe driven by Mrs. Larson's husband, Raymond Burdette Larson, which sideswiped a truck on US 97. The International dump truck, driven by Billy Wayne Phillips, Valsey, Ore., was making a left turn onto a side road, when the Buick tried to pass.

The coupe skidded and rolled some 162 feet, pitching its three occupants out.
