

CAPTURED—Louis DiFraia, 27, is shown just after he was captured by police at Pawtucket, R. I. The capture followed a dramatic 5-mile chase from East Providence, R. I. where police say he held up a bank and killed one police officer and wounded two others. DiFraia held two women and a 5-year-old boy hostage in a house during his attempt to escape.

I.O.O.F. Holds Rendezvous

The Patriarchal Branch of the Independent Order of Odd Fellows held a patriarchal rendezvous at the IOOF hall in Klamath Falls, Sept. 27. Members from the various encampments and their auxiliaries in Oregon attended.

Following registration of guests, the Golden Rule degree was conferred on a class by a degree team from Wima-whala encampment No. 6, Eugene.

At 4:40 p.m., a special session of the Grand Encampment of Oregon was called to order by Grand Patriarch Hugh Lewis, Yamhill, for the purpose of conferring the Grand Encampment degree upon candidates. Other Grand Encampment officers present at this session were: George Naderman, alein, grand high priest; Herbert J. J. Smith, Klamath Falls, grand secretary; Earl Shank, Portland, grand scribe; R. P. Blotz, Coquille, grand junior warden; John J. Dayton, grand marshal; Charles Bowman, Independence, grand outside sentinel.

During the afternoon the ladies were conducted on a tour of points of interest around Klamath Falls, until 5:30, at which time Grand Patriarch Hugh Lewis held a period of instruction for both patriarchs and matriculants.

At 6:30 a banquet was served in the IOOF dining room to 140 people. Following the banquet a social hour was held. The program was opened with the presentation of the colors. Herbert J. J. Smith welcomed the guests to the rendezvous. Matriculants of Wima-whala L.E.A. No. 6, Eugene, entertained with a number of beautiful musical selections. The Grand Encampment officers were introduced and also Past Grand Patriarch Herbert Walker and Past President of I.A.P.M. Garnet Draper, both of Eugene, were introduced. Falls L.E.A. No. 4, Oregon City, in appropriate costumes, presented a musical skit, which received many comments and laughs from everyone. A recognition tribute to Grand Senior Warden Herbert Munsell was given by Ewauna encampment No. 46 and Ewauna L.E.A., Klamath Falls, and a gift presented to him by Carrell Weatherby, chief patriarch of the local encampment on behalf of the two groups. Grand Patriarch Hugh Lewis was presented with a gift by the local encampment. The auxiliary presented a gift to him and to his wife, Matriculants Lewis.

The candidates who had received the degree in the afternoon were then advanced to the Royal Purple degree by the degree staff of Ewauna Encampment No. 46 of Klamath Falls. After the degree refreshments were served in the dining room. During the degree in the evening special entertainment was provided for the ladies.

The theme of this rendezvous was "Universal Brotherhood," and a table displayed a globe of the world, encircled with a band bearing the words "Universal Brotherhood," with dolls, dressed in appropriate costumes, representing the various nations, grouped around the globe.

Sunday morning between 7:30 and 9 a.m., a "hospitality breakfast" was served to over 100 guests with Patriarchs of Ewauna Encampment No. 46 in command.

Wonder Drug Warning Told

WASHINGTON (AP)—Doctors should be wary of advertising the powers of the wonder-drugs in the way grandmothers measured the success of onion poultices, a Washington physician says.

Declaring that medical practitioners are all too prone to credit a wonder-drug like penicillin with the cure when a patient treated with such a drug for a poorly defined ailment—especially of the nose and throat—gets well, Dr. John A. Washington told the annual scientific assembly of the District of Columbia Medical Society late yesterday.

"Like grandmothers with onion poultices we credit our success to the medicine in use at the time the temperature drops."

The George Washington University pediatrician said that while the antibiotic wonder-drugs are valuable foes of certain specific infections, there are others against which the drugs have no power at all—and that some of these ailments are subject to spontaneous recovery.

He made the remarks in cautioning doctors against "unnecessary" use of the antibiotics lest they:

- (1) Needlessly expose a patient

to the risk of some kind of a reaction from the drug; (2) subject a family to unnecessary expense for the drugs; (3) cause mothers to waken needlessly at all hours of the night to give the drug to a sick child; and (4) build up fears in a child of a "needle-wielding doctor."

Firm Delivers Jet Liners

LONDON (AP)—De Havilland Aircraft Co. announced today it has delivered a full fleet of nine Series 1 Comet jet-liners to the British Airways Corp. 15 months ahead of schedule.

The builders of Britain's record-breaking jet-propelled airliner said they now will start delivering 19 export Comets to the Canadian Pacific Airlines, the Royal Canadian Air Force and Air France. In a year's time, they added, they will start turning over more powerful Series 2 Comets to BOAC.

REDS IGNORE RED CROSS

SAIGON, Indo-China (AP)—The International Red Cross is meeting only stony silence in its efforts to send representatives into prisoner-of-war camps of the Communist-led Vietminh in Indo-China. Repeated appeals have been made to permit the organization to deliver much-needed medicines to French Union soldiers held by the Vietminh. French Union captives of the Vietminh long have been reported suffering because of a shortage of food and medicines.

Newest of all polishes—a Johnson's Wax discovery that ends scuffed-up floors!

This Green Band means new brightness, new hardness, new beauty, new convenience!

Johnson's HARD GLOSS Glo-Coat

Another product of Johnson's Wax research!

OLD: All ordinary floor polishes are soft. Shoes pile up the polish in little ridges (like you see above) and leave a trail of scuff marks.

NEW: Hard Gloss Glo-Coat gives a super-hard polish. When shoes scuff over the floor, polish stays anchored flat—looks bright for weeks!
