

NOT SEXY??—Actress Jean Peters (above) has rejected a buildup as a sexy dish, and she thinks sex is overdone in Hollywood. She's playing the role of a Bar-girl in "Blaze of Glory," but she says "that doesn't mean I have to assume the part in real life. I'm not the type."

Scandals Charged In Vets Affairs

WASHINGTON (P)—The Veterans Administration, which plans to lay off 2,250 hospital employees in an economy move, was accused by a Republican campaign leader today of squandering its GI education funds.

The V. A. announced yesterday that, by Nov. 4, it will discharge 2,350 workers in the administrative, special services, custodial and maintenance ranks at its 92 hospitals and two domiciliary facilities.

The announcement said the personnel reduction is "a step designed to help bring the agency within funds appropriated." The V. A.'s budget request for medical activities during the year which started July 1 was reduced by congress from \$701,442,318 to \$670,318,634.

Frank C. Hilton, Veterans Division chairman of the Republican National Committee, contended in a statement today:

"Unless there is a change in the national administration, veterans affairs handled by the Veterans Administration will continue to grow worse."

Hilton said both Democrats and Republicans are uncovering instances in which the V. A. is "snarling veterans benefits and wasting uncouped millions of dollars."

With educational benefits now extended to Korean veterans, Hilton said, "there are further opportunities to repeat the Known over-payment of approximately 100 million dollars for training."

From 1944 to 1950, Hilton said, 34 per cent of cases investigated showed "Maladministration, negligence, gift-acceptance, or outright criminal activity by V. A. personnel."

"The Veterans Administration allowed the waste of tens of millions of dollars for supplies," he said. "Additional tens of millions were wasted on worthless training courses."

Yesterday's V. A. announcement said none of those being discharged would be doctors, nurses, dentists or dietitians—although some of these may be transferred from one hospital to another. The V. A. said the cuts would have been greater except that it froze employment Aug. 5 and has hired no replacements since then.

The V. A. said its 1952-53 average daily patient load would have to be reduced from a planned 102,000 to 97,200. On Aug. 31 there were 97,838 patients reported in V. A. hospitals.

Connally To Back Adlai

WASHINGTON (AP) — Sen. Tom Connally said Thursday that he's all for Adlai Stevenson for president and that he "very likely" will campaign for the Democratic ticket in Texas.

The veteran Texas Senator predicted at a news conference that the Stevenson-Sparkman ticket will win in the Lone Star state despite the opposition of Gov. Allan Shivers.

Connally did not seek reelection this year and Price Daniel, Texas attorney general, won the Democratic and Republican nomination for Senator.

Like Shivers, Daniel has come out for Dwight D. Eisenhower, the Republican nominee for president.

"I don't believe," Connally told newsmen upon his return from a trip to Europe, "the people of Texas want to take another plunge into the Republican party and another plunge into a depression such as that which followed the election of Mr. Hoover."
