

No Retaliation In Sight For Reds' Kennan Ouster

WASHINGTON 4—The United States rapped Russia last night for ousting American Ambassador George F. Kennan and for "systematically" keeping foreign envoys in Moscow from contacts with the Russian people.

A new American note to the Kremlin said the imposing of restrictions on foreign diplomats "grossly violates the traditions and customs in international intercourse developed over generations."

It said nothing, however, about retaliation and authorities forecast that the Truman administration will leave it up to the new president to decide whether to expel Soviet Ambassador Georgi N. Zarubin or hit back in any other way.

The note replied to the Oct. 3 Soviet demand for the recall of Kennan on the ground that he voiced "slandering attacks hostile to the Soviet Union." Kennan had said in Berlin Sept. 19 that an

American's life in Moscow is not much different from the experience of American diplomats interned in Germany after Pearl Harbor.

The Soviet demand meant that Kennan, then in Moscow, could not return to the Moscow post he had filled less than five months.

The State Department told Moscow that "Ambassador Kennan's statement accurately and in moderate language described the position of foreign diplomats accredi-

ted to the Soviet government."

The 80-word message, delivered to the foreign office by Counselor Elvin O'Baughnessy, concluded by saying the U. S. government rejected the Soviet charges against Kennan.

Sen. Nixon Says Communists Attack Ike; Silent On Adlai

PITTSBURGH 4—Republican vice presidential candidate Richard M. Nixon headed east through Pennsylvania today after coupling an attack on the Truman administration's foreign policy with praise of his running mate Dwight D. Eisenhower as Russia's public enemy No. one.

"I'm glad" Eisenhower is Russia's "number one enemy," Nixon said last night as he climaxed a day of campaigning with a speech

at the Syria Mosque before a crowd estimated at 4,100.

Before beginning a two-day swing through the state, Nixon told his audience in this Democratic stronghold Communists propagandists have been "cranking out vituperation against the Republican ticket" while becoming "most strangely silent on Harry Truman's handpicked candidate, Mr. Stevenson."

Nixon asserted the attack on

Eisenhower by the 19th congress of Moscow proved "that the one man in the world most hated and feared

by the masters of the Kremlin and their satellites is Dwight Eisenhower."
