

WANTED—The FBI has announced that John Joseph Brennan (above) has been placed on the list of the nation's "ten most wanted criminals." Brennan, who boasted that he will "never be taken alive," is sought for armed robbery of a federally insured bank at Lyons, Ill., last August 1.

Highlights At KUHS

By HAROLD MCKAY
From now on anyone sitting in the K club section of Pelican Court auditorium, and who is not in the club, had better look out. In a meeting held yesterday the members of the K club decided that they had had just about enough of other students sitting in the section reserved for the lettermen. The club members not only decided they were fed up with the situation but they also decided to do something about it. The lettermen appointed Dick Lundquist and Jack Horton to make paddles for the boys in the lettermen's club who could not make their own. So if you don't belong to the K club and want to sit in their section, you do it at your own risk. To enforce this measure Vernon Pryor was elected to the post of sergeant at arms.
Another thing that was taken up in the meeting was the tradition that everyone remain seated at assemblies until the seniors leave the auditorium or Pelican Court. In the near future regular assignments will be given to the lettermen telling them which doors to watch at assemblies to keep everyone sitting down until all the seniors have left.

Anyone who still wants to change his schedule without getting a five in the subject being dropped had better hurry. After tomorrow if a student changes his schedule a five will be entered in the permanent records in the office.
The only possible exception to this rule will be family emergencies and in working under the T and I (Trades and Industries) or Retail Selling programs.

The class of '54 has finished their runoff election to determine their officers. Here's the outcome of the election: president, George Knight; vice president, Sylvia Gerber; secretary-treasurer, Dena Lampropoulos; and yell-song leader, Stan Kuhlman.

Sacred Heart Notebook

Trying their luck at the fish pond, turtle races, bingo, and dart games while munching on a candied apple, will be the students of both grade and high tomorrow afternoon in the auditorium. Under the supervision of Sister Clarena, the girls Letterman's Club and physical education classes are sponsoring this gay carnival. Proceeds will go towards the new gym uniforms for the high school girls. So don't forget! The carnival is tomorrow afternoon!

Any day now students will receive the first edition of the Chimes paper. New and different ideas are being experimented in this issue, so soon to come off the press.

Next Tuesday evening four Sacred Heart students, Barbara Howard, Mary Anne Guidi, Jerry Jarvis, and Mary Egan, and two advisors, Sister M. Lillona, Superior and Sister M. Ethelwina, will begin the long trek to Spokane, Wash., to the annual Catholic Northwest Press Conference to be held at Gonzaga University. Along with learning many new and different ideas to improve the paper and annual, the girls will enjoy social activities such as the dance, Saturday night banquet and social hour.

The students of the sophomore class sponsored a cake raffle yesterday for all the students. This is the first project sponsored by the sophomores thus far for the traditional Sophomore Hop, which will be coming up in November.
