

EASY BUTTERMILK ROLLS . . . these tender, light cloverleaf rolls are made by the quick saucepan method to save time and work. Plan to bake them while the meal cooks and serve them piping hot right from the oven. Folks love the rich, down-on-the-farm flavor the buttermilk gives them, and you'll like the way they "disappear" since this recipe makes just enough for a meal. Martha Meade, director of Sperry Home Service, assures perfect results "because this recipe has been thoroughly home-perfected for your very own oven!"

Buttermilk Rolls Easy Good To Eat

Sift flour before measuring. Use level measurements for all ingredients. In a medium-size saucepan, heat until lukewarm:

1 cup buttermilk
Remove from heat and add:
2 tablespoons sugar
4 tablespoons soft shortening (part butter, if desired)
1½ teaspoons salt
½ teaspoon baking soda
1 cake yeast
Stir briskly to blend all ingredients. Then add:

2½ cups sifted enriched flour
Mix to a moderately stiff dough. Turn out on lightly floured board and knead gently a few strokes to smooth out and round up dough. Replace dough in pan, cover, and let rise about 40-45 minutes. Mold into cloverleaf rolls by shaping small pieces of dough into balls about 1-inch diameter. Place 3 balls of dough in each greased medium-size muffin cup. Brush with melted butter and let rise until light and double in bulk, about 20-30 minutes. Bake in a preheated hot oven, 425 F., for 15 minutes, or until nicely browned. Makes 1½ dozen rolls.
