Malin

By MRS. JOE HALOUSEK
Congratulations to Anita Webber, who was elected Malin's candidate for Potato Queen. Anita was sponsored by the Malin VFW.

The Malin Garden Club met Wednesday afternoon at the home of Mrs. Charles Hamilton, co-hostess. Peonies and bulb storage were the topics for discussion.

The next meeting will be on Oct. 22, at the home of Mrs. Robert Holl. Topic will be rose culture.

Mrs. Charles Hamilton attended the instruction meeting for district deputies of Rainbow for Girls, in Portland last week.

Mr. and Mrs. Fred McDonald were called recently to Salt Lake City due to the unexpected death of Fred's brother, Claud McDonald. The Jay McDonalds of Merrill, accompanied them and at Boise, they picked up another brother whose home is in Toppensh.

Recent visitors at the Orville Woods were Mr. and Mrs. Preston Best of Fremont, Neb., Mr. and Mrs. Eli Best, Stanton, Neb., and Mrs. Frank Shinkel, LaJolla, Calif., and Mr. and Mrs. J. L. Jacob, Prineville. A group of friends and relatives of the visitors and the Woods' enjoyed a get together and picnic at Malin.

Mr. and Mrs. Ben J. Daniel, Redmond, have moved to Malin to make their home. Daniel was recently retired after working for 32 years with the Bureau of Reclamation in Klamath and Deschutes County project. He was honored in Madras recently with a farewell party given by his fellow workers.

The Daniels are pioneer residents of the Malin country and will spend several months a year here. They have moved in the Valley View Ranch owned by the Joe Halouseks.

Mr. and Mrs. Roy Thompson will leave Malin soon to live in Davis, Calif., where they have purchased a new home. Their many friends in Malin will be sorry to see them go.

FOREIGN TOYS
MANILA (S) — The Philippines banned the importation of all foreign toys last year except rubber balls but the plan seems to have flopped. Local toy-makers are complaining that cheaper and better quality toys, mostly from Japan and the United States, are still flooding the local market. The local manufacturers called on the government to tighten import controls. They also seek to improve the quality of their own goods and refrain from unfair trade practices among themselves.

MANILA (S) — The Philippines plans to recruit 2,000 Filipino physicians and engineers to send to Burma to help that country in its economic and health development programs. Senator Thomas Cabili said he had discussed the plans with President Elpidio Quirino after returning from a trip to Burma.
