

A BIRTHDAY CAKE for a shut-in was baked for the 76th anniversary of Addie Gallup who lives at the Klamath Nursing Home and presented by Mrs. Ivan Riffey (l to r), Mrs. Minnie Gofoid, Mrs. Bessie Breckenridge and Mrs. Robert Harbridge, all of the Community Church of the Brethren. Each month a women's group of a Klamath Falls church takes a birthday cake to someone at the Nursing Home.

Peace Kits For Children

Klamath Falls Council of Church Women will sponsor a World Community day here, Nov. 7 starting at 2 p.m. in the First Methodist church.

All church women are asked to take a "Packet of Peace" to the meeting, thus sharing with the destitute children of the world some of the bounty of America, with children who can become builders of tomorrow's peace. "Packets of Peace" should be made up of used clothing in good condition for children up to six years of age, including warm underwear, sweaters, snow suits, sim-

ple dresses and coats for girls, pants, blouses and coats for boys. Layettes for newborn babies are also badly needed and could be assembled by groups working together. These should include receiving blankets, kimonos, gowns, diapers, baby shirts, socks, rubber crib sheets, quilted crib pads, bath towels, face cloths and mattress sheets. Start now to prepare your "Packet of Peace".

Today's Women

By DOROTHY ROE AP Women's Editor

America has 52 million women of voting age and a record number of them are registering for the coming presidential election. It has taken a long time, but now the girls are going full-steam ahead in the campaign to get out the vote.

"Women deserve the major credit for today's record registration," says a spokesman for the American Heritage Foundation, a non-partisan, nonprofit organization whose job is to co-ordinate the efforts of the scores of organizations waging individual campaigns to get citizens to the polls. "There are 26 million workers on the job at present, pledged to get out the vote, and most of them are women."

Virtually all the women's organizations in the country are working on campaigns to get voters to the polls. If their plans are only 50 per cent effective, we'll have the biggest vote in the history of the nation.

The General Federation of Women's Clubs, for instance, has pledged each of its 11 million members to get 10 of her friends to the polls.

The DAR with 158,000 members is engaged in the same project. The Business and Professional Women's Clubs also are working through their organized groups in practically every community.

The Girl Scouts and the Campfire Girls are volunteering as baby sitters for mothers who want to register or vote. The girls, with complete instructions for the job, will even walk the puppy.

It seems that the long, tireless efforts of such organizations as the League of Women Voters are paying off at last. It has dawned on the nation's women that they haven't lived up to their hard-fought battle for suffrage. Now they're going to put it to work.

Saddle Mountain, east of Seaside, Ore., is richly flowered. Botanists declare that more than 2,000 plant specimens have been collected and classified on this mountain, from its foot to its top.
