

U.S. Backs Central Agency For Europe Defense

WASHINGTON (AP)—The United States plans to back up the six-nation European army by allocating American aid money next year to its Central Defense Authority instead of to member countries individually.

Honor Student Tries Extortion

HUNTINGTON, W. VA. (AP)—A former high school honor student who admitted he tried to extort \$700 from a girl through a threatening letter has been indicted by a federal grand jury.

The central authority would in turn allocate American dollars and defense equipment to French, German, Italian, Dutch, Belgian and Luxembourg units in the proposed European defense army.

States will ask the six-nation defense authority to place defense orders in member countries with American money.

Some officials favor turning over to the EDC the entire job of parceling out American aid funds.

Most of this has gone to the interference in French domestic affairs during such aid talks. American officials said that by dealing with a single authority set up to speak for all six countries, such misunderstandings presumably can be minimized in the future.

Larry P. Fudge, 20, was charged yesterday with extortion by use of U. S. mail. He was arrested by FBI agents last August near a spot designated for the payoff in the letter, which was signed "Phantom Gunman."

Under present plans, the United States will have to negotiate individually with the six member countries for whatever "defense support" said the American government plans to continue during the fiscal year beginning next July 1.

MOVIE QUEEN—Mexican movie queen Maria Felix and cowboy actor-singer Jorge Negret are shown in the garden of her Mexico City home following their marriage. Jorge's sad expression probably was caused by fans the couple had to fight off during ceremony. Still sadder was Argentine actor Carlos Thompson, whom Miss Felix announced she would marry six weeks ago. It's Jorge's third marriage.

U.S. Arrests Austrian Spy

VIENNA, Austria (AP)—U. S. authorities Wednesday announced the arrest and impending trial of a 38-year-old Austrian woman on charges of spying on the U. S. Army for Czechoslovakia.

The woman, Marianne Seada, was arrested last spring. U. S. authorities said, after she allegedly had been making periodic trips between Czechoslovakia and Austria gathering information for the Communists. She will be tried before U. S. court in Salzburg on Oct. 28.
