

'CAMPAIGN PUNCH'—Former heavyweight champion Joe Louis gives Gov. Adlai Stevenson, Democratic presidential candidate, a few pointers on delivering the knockout punch in the last two weeks of the presidential race. Joe visited the Illinois Governor's campaign headquarters in Springfield.

Eisenhower, Stevenson Pledge U.S. Aid In Struggle Against World Communism

NEW YORK (AP)—The two major party presidential candidates say the United States must continue to help the free nations—and lead them—in the struggle against communism.

Gen. Dwight D. Eisenhower, Republican, and Gov. Adlai E. Stevenson, the Democratic candidate, addressed the New York Herald Tribune Forum last night. Their speeches were carried nationally by radio and television.

Stevenson said leadership must be borne by the U. S. and added: "We must be strong until the enemies of freedom are ready and willing to join the free nations in honest disarmament."

Stevenson, who delivered his address from Chicago, said America should lead in developing a "coalition of free nations strong enough to remain the masters of their destiny" and meet communism's threat.

Both men called on the U. S. to set an example for the world. Said Eisenhower: "We must show what they can accomplish elsewhere."

And Stevenson: "We want that image (we reflect to the world) to be an image of sanity, serenity and moral as well as economic and military strength of freedom and justice and confidence."

By Eisenhower—"We must get our own administrative house in order" to better handle foreign economic cooperation.

By Stevenson—"We cannot set an example for other countries if we succumb to the economic reactionaries and to the hate and hysteria mongers. The things they stand for do not represent America at its best."

Eisenhower called for "a substantial program must be produced."

Classes were interrupted here Thursday morning for The Marimban, a national assembly. The group played many selections, including "The Hungarian Rhapsody," "Blue Tango," and "Down Yonder."

to emergency relief and isolated, piecemeal actions. Stevenson cautioned that the free nations' efforts must be kept in balance. "There would be no point in setting a pace so fast," Stevenson said, "that we or our allies would exhaust ourselves."
