

It's Smart to buy POTATOES at SAFEWAY

Where every Potato is Hand Selected for You

What do we mean by "hand selected"? Simply this; first, Safeway buys the finest U. S. No. 1 Grade Potatoes available. Then, carefully sorts them by size, throwing out any that do not meet our strict specifications. This sorting is done at no cost to you . . . thus, Safeway brings you Potatoes that are actually BETTER than U. S. No. 1 Grade—at no increase in price. Why not store several sacks in the basement now for Winter use.
