HALLOWEEN
 1952

VICKIE . . . sitting by "Penelope Punkin" is 10 months old daughter of Mr. and Mrs. Ronald Carter, 4755 Clinton Avenue . . . and Debbie . . . 14½ months . . . is daughter of Mr. and Mrs. William Tycer, 125 Hillside. Their mothers are not only sisters, but are twins . . . Gale Carter and Dale Tycer. Too young to venture out Halloween for "Trick or Treat," they won't

miss it because grandparents, Mrs. G. C. Motley and Mr. and Mrs. Roy Carter will provide amply for them.

GRACIOUS GIVING . . . is a priceless character trait; and children who participate in the "Friendly Beggar's Night" . . . a Halloween project designed to help needy families overseas, will have the opportunity to realize the pleasure of sharing. Instead of collecting treats for themselves, they will collect suitable objects for others under the sponsorship of the Council of Church Women. Soap, thread, safety pins, yarn or wearable clothing are some of the welcome items you can give to a "Friendly Beggar" who will be identified by an American Friends Service Committee sticker. For additional information call Mrs. Winifred Lambie 8050. (M.R.)
