

VIRGINIA REEVES — daughter of Mr. and Mrs. L. E. Reeves, Merrill, announced her engagement to Arnold (Rex) Zumwalt, son of Mr. and Mrs. W. H. Zumwalt, Port Orford, at a party given at the Alpha Omicron Pi Sorority, Corvallis, recently by Diane Burrell, Coos Bay, and Irene Steagle, Spray, Oregon. There were 45 guests invited to learn of the betrothal. Zumwalt is affiliated with Theta Chi fraternity, on the OSC campus.

December 20 is the date set for the wedding in the chapter house in Corvallis.

At the dinner table "Rex and Ginger" favors were used. Mrs. Alfred Beckman made the announcement. Traditional by-play put the guest of honor under the table to eat pie without a fork, and she was subjected to heavy interrogation by the group.

HERE IS THE LOOK of fall and winter fashion from the top designers in Paris. Fur trimming, a favorite for winter, is used (left) by Jacques Heim for this heavy, mustard-yellow wool coat. The trim in dark brown beaver, is used for the hat, too. Black silk faille (left center) by Christian Dior has stiffened bertha outlining deep decollete. It's worn with a black velvet

beret. De Givenchy's soft, gray wool suit (right center) was a hit of the Paris collections. Semi-fitted and double-breasted, this notched cutaway has a cocoa-colored taffeta scarf through a diamond-clipped tab. Using bright red doeskin, Jacques Falh creates (right) an overcoat with easy lines. The cowl collar is fastened down by tab detail and tied with a self-ringed scarf.

THE YOUTHFUL SERGE KOGAN likes the contrast of rich, white acetate lace (left) with bouffant tulle. The "decollegiate jacket" in black acetate taffeta covers just the shoulders. Supple, flowing lines characterize this ball gown (center) in obsinthe green acetate satin by Christian Dior. Over the shoulders, there's a fringed stole in deeper-toned green. Jean Desses' Hawaii-inspired lei theme appears in this ball gown (right) of palest raspberry satin. The luminous color is reflected in the deep raspberry of the long velvet gloves, the neckline and earrings. By Rosette Hargrove, NEA Staff Correspondent.
