### Dance Fete Scheduled Nov. 2

A new experiment in square and folk dancing is scheduled for Nov. 2, 1 to 5 p.m., at the Armory in Eugene. These dances have been extremely popular in Oregon the past few years—the new experiment is in getting both types of dancers together on the same program. Those partial to pattern dancing will have a part in the

program too as the numbers will be equally divided among all three. This statewide festival is sponsored by the Oregon State Folk Dance Federation. Host for the affair in Harold's Club, Springfield, whose members have discovered that all three types of dancing can be fun.

### Handicapped Club Formed

From enthusiasm displayed at the organization meeting a few days ago, a new club at Oregon Tech is going to be one of the most spirited groups on the campus.

Such well-known callers as Wilson McCulloch and Jim Murphy of Coos Bay, Ray Beard and Neil Brown of Salem, Curley Reynolds, Roseburg, Claude Cook, Bend, and Lloyd Lewis, Portland, will be on hand to guide the square dancers. Art and Melba Gibbs of Portland will give a pattern dance exhibition, while the Roseburg International Dancers will do an intricate folk dance number. Harold's Club members will give an experimental folk dance number to square dance music, aided by Caller Bill Kirk of Eugene.

The new club, as yet without an official name, is comprised of physically handicapped students and faculty members.

Admission is free and spectators are invited to watch an expected 500 dancers in colorful costumes depicting the dress of almost every nation.

Paul Lohman was named as first president of the club along with these other officers: Lew Valentine, vice president; Dwayne Kastrop, secretary-treasurer; and Pat Linski, sergeant-at-arms.

Bylaws stipulate that the president and vice president must be students.

Aims of the club are both fun and business. One of the first projects will be to try and have more ramps built to aid students in wheel chairs.

### Copter Stars In Xmas Fete

Santa Claus is to arrive here by helicopter this year in a big Christmas Festival being arranged by the Klamath Merchants Association.

### Mrs. Bob Considine Puts On Blue Bonnet — Gains F. N. E.!

Mrs. Bob Considine offers an idea for mothers. Put on BLUE BONNET Margarine for F.N.E.—Flavor, Nutrition, Economy! Like the wife of the famous newspaper columnist and foreign correspondent, you will love the delicate, sunny-sweet taste BLUE BONNET adds to any food! You'll appreciate its nourishment, too. No other spread for bread is richer in year-round Vitamin A! And you'll welcome its economy. Two pounds of BLUE BONNET cost less than one pound of high-priced spread! So remember the letters... F... N... E! All-Vegetable BLUE BONNET Margarine gives "all three"—Flavor! Nutrition! Economy!

The festival, scheduled for Monday Field beginning at 7:30 p.m., Nov. 23, will supplant the Yuletide parade which has marked opening of the Christmas season here in past years.

A colorful Christmas pageant is to feature a full evening's entertainment in connection with Santa's arrival. The pageant, "Why the Chimney Rang," will be directed by Kristian Gippo and presented on a specially constructed 80-foot stage with intricate lighting effects.

James Lear, Dick Reeder Store, is general chairman of the festival.

Gib Fleet, California Oregon Power Company, is technical manager and will direct erection of the stage and lighting.

Several special musical features are planned. Principal among these will be offerings by the Klamath Musical Arts Council Orchestra under the direction of Andy Loney Jr., city schools director of music.

The Herald and News' annual Christmas edition is to be published Nov. 26.
