RELIEVED BY ARTILLERY—Wounded ROK soldiers of the 2nd ROK Division wait patiently by the roadside for medical aid as a litter case is carried by. These men reached the aid station under their own power. The South Koreans were ordered to cease their attacks on Triangle Hill and Sniper Ridge and let the artillery take over the chore of blasting the Reds out.

Grand Jury Returns To Study Income Tax Cases

WASHINGTON (AP) — A federal grand jury here has gone back to work on the tax scandals brought to light by House investigators several months ago.

U. S. Attorney Charles M. Irelan disclosed to reporters Friday that the grand jury has resumed its deliberations after being in recess for several weeks.

Irelan predicted the jury will remain in session for about two months because it has "a good many things to consider," including whether perjury figured in testimony before the King subcommittee of the House Ways and Means Committee.

Irelan declined to list what witnesses will be called, but one case believed certain to get attention involves the story of an alleged $500,000 tax shake-down.

The story was told by Abraham Teitlebaum, who said he was approached by two men who claimed official Washington connections and told him he would have bad tax troubles unless he paid a half million dollars.

Among those mentioned as probable witnesses is Henry W. (The Dutchman) Grunewald, Washington mystery man. Grunewald is under indictment on charges of refusing to answer questions of the House investigators.

There also have been reports the grand jury might be interested in looking into the activities of T. Lamar Caudle, former chief of the Justice Department's tax division. Caudle was fired by President Truman a year ago for "outside activities." Recently he testified at great length before another House subcommittee investigating the Justice Department.

Late Jump Kills Flier

OCEANA, Va. (AP) — A too-late parachute jump from his flaming jet fighter claimed the life yesterday of the former commander of the first jet squadron to tackle the enemy in Korea.

He was Comdr. Albert D. Pollock Jr., 37.

A test pilot for evaluation projects at the naval air test center at Patuxent, Pollock had just left the 45,000-ton aircraft carrier Coral Sea when he radioed that one of his two engines had blown some turbine blades and he would land here.

Pollock, formerly of Twin Falls, Idaho, and Orcutt, Calif., was over the field when flames licked out of his plane. The fighter went out of control and crashed with Pollock leaving the craft too late for his chute to open.

Star Held On Drunk Charge

LOS ANGELES (AP) — Broderick Crawford, Academy Award winning film actor, spent four hours in jail for drunk driving.

Lt. E. R. Evans, in charge of the West Los Angeles police station, identified the actor. He said officers who made the arrest reported a car driven by Crawford smashed into two parked automobiles near a Sunset Boulevard intersection.

Evans said the husky 42-year-old actor told him he'd been at a party celebrating completion of a picture. Crawford was released on $250 bond to appear in court today.

The movie star won his best actor Academy Award for his portrayal in "All The King's Men" in 1949.

West Faces Power Cut

TACOMA (AP) — In the face of an acute power shortage in the Northwest, the public will be asked to cut down to essentials its use of electricity.

Private and public power officials decided on the move at a conference here Thursday.

C. A. Erdahl of Tacoma's municipal system, chairman of the Pacific Northwest Utilities Conference Committee, said the naming of a curtailment coordinator for the region is expected Monday. The Defense Electric Power Administration in Washington, D. C., will name him.

Erdahl said the power curtailment, effective Nov. 17, will be more stringent than a "brownout." He said saving of electricity in signs, displays, and even in homes, may save jobs that will be imperiled by a cutback on power to industries.

"We hope they appoint a man from the Northwest" for curtailment coordinator," Erdahl said, "so he'll be more familiar with the problems facing us."

Zog Estate On Tax List

MUTTONTOWN, N.Y. (AP) — The Long Island estate that ex-King Zog of Albania bought a year ago but never lived in is scheduled to be sold for back taxes.

The 60-room, 90-acre property was sold to the exiled Balkan monarch for a reported $105,000. Since the purchase, only a caretaker, a dog and a cat moved in—and they, too, have gone.

Nassau County officials said yesterday the estate will be sold for tax arrears and penalty on Dec. 1. The tax lien is listed at $2,654.

Daughter Slays 'Ugly' Father

PROVIDENCE, R.I. (AP)—A 21-year-old girl sat in a police cell today accused of striking her father four hammer blows on the head because "he's ugly looking and he made me that way."

The girl is Mary C. Burns of Daytona Beach, Fla., who police say is not unattractive. She is charged with assault with intent to murder.

The father, Ralph Burns, 52, of Lakewood, R.I., is in poor condition in a hospital, suffering from depressed fractures of the head.

Mrs. Mary Burns, the girl's mother, said in Daytona Beach that her husband is not unattractive either. "There's nothing wrong with his looks," she told a reporter.

Detectives said the girl, who had not seen her father since her parents separated about six years ago, waited for him to come out of work yesterday and then struck him four times with a hammer.

Witnesses said two men disarmed her.

Mrs. Burns said she and her daughter moved to Daytona Beach from Providence about a year ago. She said her daughter left Daytona Beach last Sunday presumably to go to Newark, N.J., to get a job.

She described the daughter as "very nervous" and "concerned" about her twin brother, Buddy, who is in the Army in Japan.

Providence detectives said Miss Burns apparently didn't stop in Newark but came straight to Providence, arriving here Tuesday.

They said also that the girl told them her resentment toward the father had rankled for 10 years.

BUSINESS BOOMS

TOKYO (AP)—Kyodo News Agency reports the private detective business is double that of 1951. As usual, a lot of the clients want to check up on spouses, or possible future spouses. One youth asked an agency to check his fiancee's background to see if she had been running around with U.S. soldiers. He thought she spoke English too well.
