COMMUNITY CHEST WORKERS

MRS. O. K. PUCKETT, seated, and MRS. JACK SCHULZE

THEY WORKED... and got others to work on the Community Chest drive, and the Chest committee chose them to represent the many who participated. Mrs. O. K. Puckett, Mrs. Jack Schulze, Mrs. Russell Marshall and Mrs. John Ashley contributed much to the successful organization of women who called on the residential district.

Mrs. Ashley spent hours at the telephone calling prospective workers; and broke previous records when 70 volunteers.

The Chest's goal of \$76,000 hasn't quite reached the half-way mark, but Elton Smith, campaign chairman announced that the payroll deduction funds had just started to come in. So for their efforts in the early part of the drive, all of the women workers are voted "Red Feathers" in their hats.
