

When you bring in the turkey and all the trimmings...

All SAFEWAY Stores Will Be Closed Thanksgiving Day - November 27.

Why a Safeway, Quick-Frozen Turkey Means Better Eating for You!

Quick freezing is the modern miracle that makes it possible for Safeway to bring you turkey at its very best. Here's why: the birds go into the freezer WITHIN AN HOUR after being completely cleaned - inside and out. There's no chance for the meat to lose its "just-dressed" flavor. All the preparation - killing, cleaning, and freezing - is done as one continuous operation in so-called-span plants. It is done as one continuous operation in so-called-span plants. It is done as one continuous operation in so-called-span plants.

The moment your knife glides through the first slice of white meat and the rich juices glisten on the blade, you'll know that you've got a turkey that will taste wonderful right down to the last tender morsel.

Even folks who live on turkey farms and can pluck, dress, and set their bird in the oven within a few hours can't enjoy any fresher-tasting turkey than you can with a QUICK-FROZEN TURKEY FROM SAFEWAY.

You'll be glad your
