17—HELP WANTED

$150 to $250 PER WEEK

I want neat appearing men and neat appearing women with cars to represent an old national concern. One of the largest of its kind in the country with offices established throughout the state. If you are willing to work hard for $150 and up per week and you are able to work in the Klamath area, Monday through Friday, don't pass up this ad. If you are a man or woman of average intelligence I want to talk to you. I know what you are probably thinking as you read this ad. The same as I myself thought many times when I was out job hunting, that this was just another ad with a lot of promises. Believe me it is not. It is 18 months since I joined this firm and I regret to this day it wasn't 20 years ago. I have made more money in the past 6 months with this company than I have earned with other firms in the previous 2 years. I don't care what your previous experience has been. Whether it was selling magazines, books, vacuum cleaners, appliances, pictures or any other kind of work. If you are able to open your mouth and talk to me I will show you how easy it is to earn up to $250 per week. Commission with this company. Experience is not necessary. We give you complete training. If accepted you will be employed by one of the largest concerns of its kind in the country. You will be backed by millions of dollars in advance advertisements. These advertisements will keep you busy constantly, calling on prospects in your territory with qualified leads sent in by people demanding that our representative call on them. This is a job with security for the rest of your life. Get in on the ground floor. You owe it to yourself to answer this ad. You have nothing to lose, and let us prove to you that you have everything to gain. Come and get what you have been waiting for. See Mr. Conger, 9-12, 209 Underwood Bldg.

RELAX AT HOME with an income. Conduct telephone survey for large National Insurance Co. No selling. Four Hours per day. Salary basis. See Mr. Conger, 209 Underwood
