There's one big reason why this man takes pride in his work!

"Last summer I took a group of 35 Boy Scouts on a motor trip to Western Canada. We stopped at Union Oil stations all the way to the Canadian border. I was impressed with the helpfulness and enthusiasm of the men who waited on us. All in all, the Union Oil dealers seemed to take great pride in giving us really fine service."

F. L. Dittman

UNION OIL COMPANY

We appreciate your compliment, Mr. Dittman. This pride in giving good service that you mention is due largely to one thing: The incentive to do a better job that is provided by our American profit and loss system.

Take away this profit incentive and you eliminate one big reason for a man's pride in his work as well as the necessity for him to do the job better than his competitors.

Preserve the profit incentive and you encourage the very thing that has given the American people the best service and the highest standard of living the world has ever known.

Medford Man Heads State GOP

PORTLAND — Fred Robinson of Medford is the new president of the Oregon Republican Club.

Other officers elected at the organization's convention here Saturday include: Mrs. E. J. Schuster, Tillamook secretary; Gene Roseman, Portland, treasurer; and Ed Kerr, Portland, sergeant at arms.

New district chairmen are: A.W. Meyer, Oregon City, District 1; Dick Houk, Prineville, District 2; James Loneragan, Portland, District 3; and A. A. Lausman, Medford, District 4.

Some observers saw the election of Robinson as a further repudiation by Oregon Republicans of Sen. Wayne Morse. Robinson has for some time been a critic of Morse, who last month bolted the Republican Party to support Gov. Adlai Stevenson, Democratic presidential candidate.

Speakers at the day-long meeting included V. G. Dubach of Lewis and Clark College; Robert A. Elliott, Medford, Republican state chairman; Gov. Douglas McKay; State Senate President Paul Patterson; and Reps. Walter Norblad and Homer Angell.

McKay, who has been named secretary of the interior in the cabinet of President-elect Dwight Eisenhower, said that revenues from state income taxes should enable the state to balance its budget for the next two years.

Patterson, who is expected to succeed McKay as governor, predicted that the 1953 legislative session would be ended by April 15.

Norblad, in his talk, criticized the convention for approving a resolution calling for outlawing the Communist Party in the U. S. That would drive the Communists underground and make them harder to find, he said.

Norblad also said he would not vote for a reduction of federal taxes until the national budget is balanced.

Resolutions approved by the group: Urged the establishment in Oregon of the office of lieutenant governor.

Called for cutting into districts larger counties for state representative elections.

Expressed confidence that Eisenhower could hasten the end of the Korean war.

Commended Eisenhower for naming McKay as a member of his cabinet.

Ice jams caused the water of the Chewaucan river to flood the town. Three big bulldozers were put to work cleaning and dredging the river and it is now believed to be safe.

The Antelope Chapter of the OSEA met at Valley Falls Saturday evening. This was a called meeting by the President, Charles Thomas who was a delegate to the 1952 session of the General Council held in Corvallis Nov. 7-9.

Explanation of resolutions presented and a general discussion on proposals presented were the main events of the meeting.
