

Commonwealth Leaders Study Treaty

LONDON (AP) — Leaders of the British family of nations examined an Australian proposal today for a unique United States-Commonwealth treaty of trade and friendship aimed at making it easier for the rich dollar and the poor pound to live together.

Australian Prime Minister Robert G. Menzies was reliably reported to have suggested the treaty at yesterday's session of the nine-nation Commonwealth Premiers Conference. Informed

sources said the proposal would cover:

1. Commonwealth pledges to ease controls on the movement of money, especially those hampering U.S. investors in the British nations from taking back to America in dollars their capital and earnings.
2. Speeding up arrangements to eliminate double taxation which in some Commonwealth countries leaves dollar investors liable to pay taxes both to that nation and to their own governments.
3. Gradual extension of the convertibility of the pound so that eventually a person with pounds could swap them freely for any

other foreign currency.

4. East-west arrangements for removing or scaling down the Commonwealth system of imperial preferences and United States tariff quotas. Imperial preference is a system of "buying British" which has grown up as a means of protecting Commonwealth goods and industries.

Most of the Commonwealth group are known to favor these general principles. Menzies' idea to embody them all in a trade and friendship treaty apparently is new, however.

After details are thrashed out in the next few days, the Commonwealth statesmen likely will give Britain's Prime Minister Churchill and his chancellor of the exchequer R. A. Butler, a mandate to go to Washington to talk the whole thing over with President-elect Eisenhower soon after he is installed next month.

In addition to considering this proposal, today's session of the conference had to follow up yesterday's discussion on the development of the Commonwealth's own resources.

The prime ministers agreed yesterday on the general lines of an all-out drive to produce more food for the 575 million people in the Commonwealth and more scarce minerals. They figured if they were able to do these things and not buy them abroad, in a few years they would save about two billion dollars annually.

But skilled men, money and machines will be needed to get this vast program going. With her limited capital resources and already overburdened industries, Britain is not in a position to shoulder the burden alone. Outside help will be needed. The conference today was to discuss where it can come from.

Putnam Named To Fire Board

Martin Putnam yesterday was elected a director of the Stewart-Lenox Fire District Board. Ballot results announced last evening showed Putnam received 12 votes, Ted Bingham 9, Rodney Mathers 9, George McKinney 1 and Harold Schieferstein 1.

Putnam takes office January 1st, succeeding Schieferstein.

"Goodbye football, hello basketball," is the cry of Sacred Heart students as tonight the season will open with a non-league game against Bonanza. The game will be held on the Academy home court starting at 7:00. There will be two games as usual, the first between the Trobades and the Bonanza B team, followed by the A strings of the two schools.

Season basketball tickets are now on sale and can be purchased from any SHA high school student for eleven home games, while student season tickets will be \$2.50. Last year there were only nine home games for this same price. So don't forget to buy a season ticket soon!

This afternoon the students enjoyed a two-hour movie in the auditorium. This function was sponsored by the junior class for the spring formal.

With the Thanksgiving vacation all in the past, although thoroughly indulged in by everyone, students are eagerly looking forward to Christmas, just three weeks away.
