Police Study Store Theft

The sheriff's office and State Police are investigating a burglary at Griggs Superior Foods in Stewart Lenox, which netted the prowler a considerable amount of money.

The exact amount taken was not disclosed, but it was reported to have been all in cash.

Deputy Sheriff Dick Funnell said the burglar entered the grocery

sometime Tuesday night or Wednesday morning, boring holes in a side door until he had large enough hole to reach through and unlatch the door.

The money was taken from a steel cabinet in a small room in side the storeroom. The door to the cabinet was pried open. Apparently only the money was taken. A quantity of checks was left.
