

A PERT POODLE atop a crystal cylinder of frozen fragrance makes an intriguing Christmas stocking stuffer. Women who prefer a light scent and women who choose the more sophisticated perfumes can all be pleased this year since perfume manufacturers have catered to every feminine taste.

Santa Expects Every Gal To Look Her Prettiest

Christmas glamour can be yours in spite of the hectic period which precedes the holiday.

Most women find the Yuletide season "depressing." But sometimes that feeling exists because they have pushed themselves beyond their endurance.

Most important holidays are exhausting because food preparations and cooking take such a big chunk of time and energy. But at Christmas other chores are added to the list. The lady of the house has either been shopping for a long time, or has left it all for a last minute rush. She is burdened by mailing out of town gifts, gift wrapping and trimming the Christmas tree. Also included in the Christmas chores is a house that must be made to twinkle like the heavenly stars. Cleaning and polishing are big jobs.

All of these things are time-consuming operations, and when they must be sandwiched in to a short period, they are likely to be enervating.

One thing that can save the picture is a beauty rejuvenation plan just before the holiday, and a firm resolve to take it easy in the days before the event.

A half day might be set aside for a session at the beauty parlor. The money for the treatments should be staked out now so that last minute gifts don't gobble it up. If it is beyond your means, to enjoy the ministrations of beauty operators, plan to do your own glamorizing at home. Make sure that nothing interferes with it. Although your Christmas dinner may be a gourmet's delight, your Christmas tree a work of art and your presents the most thoughtful of gifts, if you look harassed or irritable the entire picture will be spoiled.

Many a mother has devoted weeks to preparations for a happy family Christmas. Then on that big day she drags around

like a martyr, and her irritability is inflicted on everyone.

Christmas should be a time of joy and happiness. If your hair is beautifully coiffed, nails manicured and your dress becoming, you can't help but be in a cheerful frame of mind. A pretty apron over your party dress will keep you looking chic even while you slave over a stove. Although the early part of the day will be a heavy work period, after dinner the cook can relax. That's one good reason why dinner should be early on holidays.

"Christmas recipes with perfect results for Oregon Homemakers"

Martha Meade

Nothing says "Merry Christmas" better than the wonderful, warm, spicy aroma that fills your kitchen at holiday baking time! And here are Christmas recipes that can't possibly fail because Martha Meade has developed them specially for this part of the State, for this time of year. Try them on this guarantee: if Sperry Drifted Snow "Home-Perfected" Enriched Flour in these hometown recipes doesn't give better results than any other flour in similar recipes, send your grocer's sales slip (showing purchase of Drifted Snow) to Sperry Flour, San Francisco 6, and get double your money back!

Turkey Savories... clever way to "use up" turkey. Serve bubbly hot and golden brown right from the broiler. "Stir-N-Roll" pastry is famously easy, always flaky tender," says Martha Meade, "if you use Sperry Drifted Snow Flour and no other!"

TIMBERLINE BROILED TURKEY SAVORIES

Sift flour before measuring
Use level measurements for all ingredients
Have ready—

1 sheet baked pastry, 9x12 inches
thin tomato slices
(1 large or 2 medium firm tomatoes)
cooked turkey pieces (1 to 2 cups)
Cheese Topping

Arrange tomato slices over baked pastry and sprinkle lightly with salt. Then cover tomato with turkey pieces. Spoon Cheese Topping in small amounts over meat, spreading it lightly to make a thin covering. Place under broiler, about 3 inches from heat, and broil until cheese is bubbly and golden brown. Watch carefully to keep from burning. Serve hot, cut into squares, oblongs, or wedges. Makes 1 dozen savories, 3-inch squares.

Note: These Broiled Turkey Savories make exciting use of left-over turkey. Serve these hot appetizers before dinner, to accompany a salad luncheon, or as an evening party snack. For variety, chicken or ham may be used in place of turkey.

Cheese Topping

Mix together well—
1 egg, beaten
1 cup grated sharp American cheese
1 teaspoon Worcestershire sauce
1/4 teaspoon salt
few grains pepper

Stir-N-Roll Pastry

Stir together in a mixing bowl—
1 1/2 cups sifted Sperry Drifted Snow
"Home-Perfected" Enriched Flour
1 teaspoon salt
Measure in same cup and add all at once—
3/4 cup Wesson Oil (1/4 cup plus 2 tablespoons)
3 tablespoons cold milk

Stir with fork until pastry clings together. Press into a ball, flatten slightly and place between 2 sheets of waxed paper cut to 9x12 inches. Roll out gently until pastry reaches all edges of paper. Peel off top paper, then pick up pastry and bottom paper by one edge (they will cling together). Turn over onto cookie sheet and remove top paper. Prick surface of pastry thoroughly with fork. Bake until a golden brown, about 5 to 8 minutes, in preheated very hot oven, 475 degrees.

Mince Pie... real, old-time Christmas favorite with rich cheese-flavored "crumbly" topping. Sensational flavor combination. Easy and 100% perfect for this area when you keep to the recipe and use Sperry Drifted Snow "Home-Perfected" Flour.
