Pelicans Open District Play in Ashland Series

When Klamath Falls and Ashland open Dist. 4 play in a Friday-Saturday series in Ashland, five of the top ten scorers in the Southern Oregon Conference will be on the floor.

Ashland's Greg Lininger, a 6-6 center, is second only to Medford's Ed Bingham. Bingham leads the parade with 129 points in seven games. Lininger has 102 in the same number of games for a 14.6 average.

The Pelicans' Calvin Gilmore, Jack Horton and Ken Young are fourth, fifth and sixth with 79, 72 and 70. Ed Barron has 62 for eighth place.

The other two members of the A-1 cage family, Medford and Grants Pass, are busy with king's-X games against Eureka and Roseburg on alternate nights.

Ted Tenney and Bob Delsman will probably open at the forward positions for Ashland with Jim Jeffries and Bob Myrick at the guard spots although Harvey Woods will see plenty of action if his injured knee is ready.

It's likely Klamath Coach Paul McCall will start with his lettermen five—Doug Pence and Ed Barron at forwards, Jack Horton at center, and Ken Young and Calvin Gilmore at guards—although Jim Dougherty got a starting position at forward in the recent Bend series.

Sedgman Wins In Pro Start

LOS ANGELES (AP)—Well-versed experts took opposing views on the future but this much was certain today: Australia's tennis champion Frank Sedgman was off to a winning start as a professional player.

The 25-year-old artist made his pro debut a triumphant one last night when he upset California's Jack Kramer, ruling king of the play-for-pay boys, 3-6, 6-4, 6-4.

Not so successful was Sedgman's partner and, until last week, co-hero of the Australian Davis Cup team, Ken McGregor. In his bow he fell before the two-handed attack of Pancho Segura of Ecuador, 6-2, 7-5.

Sedgman and McGregor teamed to defeat Kramer and Segura, 11-9, 6-3, in doubles.

The Aussies' American pro debut was staged before a near capacity crowd of about 7,000 fans in Pan-Pacific Auditorium.

It was the first of a 90-match schedule for 1953's new tennis troupe on a tour that Sedgman signed to play for a guarantee of $75,000 and McGregor $25,000.

The show goes on again here tonight.

CORVALLIS, Ore. (AP) — The Oregon State Beavers, last team off in the Northern Division basketball race, defeated Washington State 39-27 Tuesday night in a slow-moving game which featured the defensive play of both quintets.

The Beavers set up a tight zone defense at the start and held the Cougars to a single point in the first quarter while netting only seven themselves.

The Cougars broke through for 13 points in the second period and their 14-13 halftime margin was their first and only lead of the evening.

OSC's second platoon took over midway of the third period which ended with the Beavers out in front 22-19. The fourth quarter was all OSC's. The Beavers scored 17 points in the period — nearly half of their evening's output — while WSC dropped in 12.

OSC forward Reggie Halligan was high scorer with eight points. Pete Mullins was high for WSC with seven.

The teams meet again Wednesday night in the finale of the two-game series.

Rule Proposal Aimed At 'Sucker Shift'

WASHINGTON (AP) — In a move to discourage what is popularly called the "sucker shift," college football coaches have recommended one of the most radical rules changes in years.

The change, to supplement the present regulation on false starts, would make it illegal for a lineman to make a move once he has assumed a starting position.

Columbia's Lou Little, chairman of the Football Coaches Rules Committee, said a lineman would be subject to penalty if he reached up and scratched his nose after once getting down in what is known as a three-point position—feet and one hand on the ground.

Through Little, the coaches presented the recommendation Tuesday along with another proposal that the T-quarterback be made eligible to receive a pass after handling the ball from center. He is now ineligible.

The suggestions now go to the rules making body, which meets next Monday, Tuesday and Wednesday. The coaches are only an advisory body.

The football mentors voted to keep all other rules virtually intact, including the controversial free substitution rule.

TWENTY YEARS AGO — Washington traded catcher Roy Spencer to Cleveland for catcher Luke Sewell and an undisclosed amount of cash.

DeMolays Post Opening Wins

The DeMolay teams both scored victories last night when the Victory Basketball League opened play at Fairview.

DeMolay Number 1 whipped Herald and News, 38-24; DeMolay Number 2 waxed Crater Lake, 32-22.

Dave Cummings and Ing Montgomery led DeMolay's first team with 11 points each; Franck had 10 for the Newspaper team.

Cummings doubled up to pot 11 against Crater Lake; Paugh had nine for Crater Lake.

New Ball May Stop Fumbles

WASHINGTON (AP) —Now they've called upon science to try to eliminate the rash of fumbles which plagued college football teams the past season.

Coaches attending the annual NCAA sessions here are being shown a new scientifically-treated football claimed by its makers to be non-skid and fumble-proof.

At least two sporting goods firms are shilling for the resurfaced leather spheroid.

One is treated with a secret substance called 'Formula 15.' The other is covered with somthing called Gripz-Tight.

One of the balls was tested in the Rose Bowl game. Result: One fumble lost.
