

Record Backing Backing French Cabinet

Mayer would be able to count on continued RPF support, however. One of the party leaders warned the new Premier that "we shall be a loyal but vigilant opposition."

Parties opposing Mayer included the Socialists with 105 seats in the Assembly, the Communists with 97 and the fellow-travelling Progressives with 4.

The RPF made its vote for Mayer conditional upon his assurance that the pending West European Army Treaty would not be ratified until modified to safeguard the "unity of the French Army and the integrity of the French Union."

Many Frenchmen are extremely wary of joining the proposed single-uniform six-nation European army, which would include West German troops.

The new Premier declared that the "legitimate preoccupations" of the De Gaulleists would be recognized when the treaty text is studied by committees of deputies and experts before ratification.

TWO-CAR LEAPFROG—This is the aftermath of a spectacular accident on the Oakland, Calif., Eastshore freeway, in which one person was killed, three injured. A swerving truck forced car (right) driven by James Conlon, Hayward, Calif., into center dividing strip. It careened into the air, coming down atop a car (left) driven by William E. Wilma. He was killed. Lying on the dividing strip, getting comfort from a passerby is Mrs. Conlon, who was seriously injured.

Sandburg Feted in Chicago

CHICAGO (AP)—Carl Sandburg returned to Chicago, the city which he once called "the shoulder" and "proud to be alive," and found it to be just that at a celebration of his 75th birthday anniversary.

More than 500 friends, admirers and contemporaries jammed the Crystal Room of the Blackstone Hotel last night to honor the famous poet, Lincoln biographer and novelist.

Self-composed, serious and witty, Sandburg accepted the many honors and gifts bestowed upon him. It was a warm and hearty tribute to the poet from the Illinois prairies, the son of Swedish immigrants, who first gained recognition in the literary world in 1914.

haired poet as "the one living man whose work and whose life epitomize for me the American dream."

"He is the earthiness of the prairies, the majesty of the plains, the anger of deep inland seas," Stevenson's message continued.

GROUP SEEK BAN
TOKYO (AP)—There are no bull fights in Japan, but the Japanese Society for the Prevention of Cruelty to Animals is asking the government for a ban against the Spanish and Mexican sport. The SPCA's announcement said it was seeking the ban because of word from Spain that a group of bull fighters plan to come to Japan to introduce the sport.
