Man Blasts Self, Others

WESTON, W.Va. (AP)—"Look what's going to happen here," said Donzel Raymond McCray as he displayed five or six sticks of dynamite strapped to his waist.

As five persons, including his divorced wife, looked on in horror yesterday, he touched two small batteries to wires extending from the dynamite.

He was blown to bits and his wife and her lawyer, Charles N. Bland, were critically injured. The other three witnesses—Magistrate W. S. Putz, Linn Maple Brannon, and 78-year-old J. N. Osborn—escaped serious injury.

Man Held In Sheriff Death

GEORGETOWN, O. (AP)—The Ohio State patrol said early today that a man identified as Charles T. Rigdon, 31, sought in last night's slaying of Adams County Sheriff Ben K. Perry, had been arrested at Mayesville, Ky.

Cpl. C. H. Brown of the state patrol said he had been notified that a state highway patrolman was taking Rigdon to West Union. He said he had no details of the man's arrest.

Brown said the patrol's word was that Rigdon "denies everything."

Sheriff Perry had an Army discharge paper issued to Rigdon in his hands when he was shot down as he sought to question two hitchhikers near Bentonville.

King Wants China Blockade

WASHINGTON (AP)—The head of the American wartime Navy, Adm. Ernest J. King, proposes blockade and bombing of Red China to step up pressure on the Communist adversary in Korea.

The retired fleet admiral also said, in a copyrighted interview published yesterday by the magazine U. S. News & World Report, he believed President-elect Eisenhower would "come up with a workable solution" to end the stalemate.

King added, "Don't forget the bombing," but he did not elaborate as to whether he meant United States or Chinese Nationalist foot troops.
