Yugo Cardinal Says Church Will Not Bow

KRASIC, Yugoslavia (AP) — Alojzije Cardinal Stepinac, storm center of the Yugoslav government's differences with the Roman Catholic church, says the church will never bow to dictates of Premier Marshal Tito's Communist regime. The new primate of the church made his emphatic statement in an interview with an Associated Press reporter in Zagreb only a few hours after a Vatican consistory elevated Stepinac to the College of Cardinals. Earlier, he had announced he would not go to Rome for the ceremony because he feared the Yugoslav government would not let him return. "The Catholic church in the fatherland is going to remain firm," the new cardinal declared. "The Holy See always is ready for agreement, with all men of good faith, but never under dictation. The term 'dictate' is unknown in the dictionary of the Catholic church."

Jabara Back In Korea

SEOUL (AP) — James Jabara, first American jet ace, returned to Korea yesterday to fly Sabre jets with his old outfit. The Fifth Air Force today said Jabara, who downed six Communist MIGs on his first four in Korea, was assigned again to the 4th Fighter-Interceptor Wing.

since conditionally released from a prison sentence imposed for alleged wartime collaboration with the Nazis.

Outside, a driving blizzard had laid a carpet of snow on the courtyard separating the parish house from the church. Still visible in the snow were footprints the cardinal had left when he went to pray, as usual, on arising.

The conversation first centered on the cardinal's health. An aide had said that the interview must be kept brief because the archbishop tires easily now. The cardinal said he felt "all right now" after a minor operation last month to correct a thrombosis (blood clot) condition in one leg. But he said he is prevented from kneeling when he prays.

Asked about the Yugoslav government's three-week-old break in diplomatic relations with the Vatican on charges that his elevation to the College of Cardinals was part of an antigovernment propaganda campaign, Cardinal Stepinac said only, "Time will prove the answer to that."

Pope Pius XII told the Vatican consistory that it was "especially and show benevolence to 'his whole nation.'"

Flu Break Hits Midwest

Y U—Influenza outbreak school activities sections of the Midwest. Schools were closed in towns and dozens of cases reported a high level of illness. It is now that state-wide epidemic," a Cox, Texas health officer added that the epidemic reached epidemic some isolated areas. Pneumonia was reported in Western Missouri in classrooms schools lacked teaching and many pupils school schools said 3,000 pupils were influenza was a mild Mo., 1,150 of 7,000

pupils were absent and at Columbia attendance in the public schools was off about 25 per cent. Influenza patients at the University of Missouri have increased steadily since the Christmas holidays. DePaul University at Greencastle, Ind., closed yesterday for one week because of "an extensive and increasing virus illness." More than 10 per cent of the enrollment reported to the university infirmary yesterday.

The Health Department in New Mexico said the disease was sweeping through the state. Some schools had one out of every four students and teachers ill.

Flu which hit southern Colorado two weeks ago now is reported heavy in the Denver area. Twenty per cent of the pupils were absent yesterday. Teachers also have been hard hit. Some cases have been severe, requiring hospitalization of almost a week. A mild form of influenza also moved into some Eastern Kansas areas.

Three Killed In Venezuela Clash

PANAMA, Panama (AP)—Travelers from Venezuela reported today that three persons were killed or wounded in a clash early last week in Caracas, the Venezuelan capital, between police and an insurgent group. Several Army officers were arrested following the incident, according to the reports. These sources said some 20 persons, presumably members of the outlawed Democratic Action Party, launched an attack on the National Guard school and an adjacent army barracks but police and troops, warned by an informer, repulsed them.

All on The Go

By George N. Taylor
It is Christmas time and nearly every seat in the long passenger train is filled. Grown-ups, Teen-Agers, Hi-School folks and the College crowd were all on the go. On many is the Bible label — "Dead Mother," "Dead Father," and others the same. Dead to God for his word, the Bible says that all have sinned and the wages of sin is death. But God so loved those folks that he gave his only-born Son, that if they believe on Him, they should not perish but have eternal life. Stand on it that Christ died for your every last sin to set you right with God and God gives you eternal life. Dead sons, daughters, high schoolers, college people, little tots, choose Christ as Saviour—be in God's Book of Life. Escape the Lake of Fire—the second death. This space sponsored by a Portland Lumber manufacturer.

White sidewall tires optional at extra cost. Equipment, accessories and trim subject to change without notice.

If you've thought it takes gas-eating weight and hard-to-park length to give real riding comfort you ought to try this '53 Ford. For Ford's new Miracle Ride actually seems to lay a carpet of smoothness even over the roughest roads. There's no bounce, pitch and sway to bother you, no uncomfortable roll on curves. Ford's new Miracle Ride marks a new era of riding comfort and quiet. It's another big reason why Ford is worth more when you buy it . . . worth more when you sell it!

The New Standard of the American Road

80% less road shock! By increasing front wheel travel and redesigning the rubber compression bumpers, front end road shock is reduced as much as 80%. Springs are tailored-to-weight of each model, for best riding comfort, whichever model you buy.

Automatic Ride Control! Ford's Variable-Rate rear spring suspension actually makes effective spring "stiffness" vary automatically as road and load conditions change. You get a smooth, level, comfortable ride on boulevard or roughest back road.

All day comfort! Scientifically designed contour seats, both front and rear, have thick foam rubber cushions. Non-sag spring construction is firm yet resilient. Automatic Posture Control provides the most convenient seating position for all drivers.

You've got to Value Check this new Ford's 41 "Worth More" features to know why Ford is worth more when you buy it . . . worth more when you sell it!

In this new '53 Ford you'll find not only a new concept of riding and driving comfort . . . you'll find more of the things you want and need than in any other car in the low-price field.

You'll find the "Go" you need, in Ford's high-compression V-8 and Six engines (and both thrive on regular gas). You'll find the great, all-round visibility . . . the easy handling, braking and parking you need for today's traffic. And you'll appreciate beauty that "belongs," wherever you may drive. No wonder Ford is the New Standard of the American Road.
