18 Months For Check Charge

Kerney Walter Bradshaw, 31, was sentenced in Circuit Court yesterday afternoon to 18 months in the Oregon State Prison on a bad check charge.

He earlier had pleaded guilty to drawing a bank check with insufficient funds to cover, a $33.01 check passed at the Oregon Avenue Garage on Sept. 10.

Bradshaw was indicted in October.

He admitted in court that he wrote several other bad checks last September, and Yreka authorities have placed a detainer on him for prosecution there.

Richard Henry Jarvis, 18, who had pleaded guilty to a charge of larceny of an auto, was placed on probation for two years, and ordered to pay some $60 as rental on the vehicle, which was taken from the Bob Mest used car lot.

Danny Dedmon, 16, who escaped from the MacLaren Boys Training School (Woodburn), last Saturday and was picked up here a few hours later, was returned to the training school today by Juvenile Officer Francis Mathews.

KF Scouts To Attend Meet

When the Boy Scouts of America gather 50,000 members at the Irvine Ranch near Huntington Beach, Calif., July 17-23 this year, 114 representatives from the Modoc Area Council are scheduled to be present.

Nine leaders from this area are also slated to make the trip, according to Jamboree Chairman Bob Bonney.

In order that the full 114 from this area may go, the quota is to be filled by March 2, Bonney said. If not the remaining vacancies will be picked up by someone else, or if so this area may pick up more vacancies from somewhere else.

In order to be eligible to attend the Jamboree—the ultimate in Scout programming—Scouts must be 12 years old by Jan. 1, 1953; must be at least a Second Class Scout or Explorer Apprentice.

In order to hold reservations, each prospective jamboree Scout is to pay $19. The trip will cost approximately $225 for each Scout attending, including transportation, total registration fee, meals for 12 days and sight-seeing expenses.

Each group of Scouts going is to have its own financial officer who is to maintain individual financial banking; a medical officer; and unit chaplain. Rev. Dave Barnett, First Presbyterian Church here, is to be chaplain for the Modoc Area Scouts.

The Modoc Area Scouts will go by day coach from this area to San Francisco where they are to stay overnight. There they will tour the San Francisco area, then move on to the Jamboree, arriving four days early. After setting up camp, the local Scouts are to tour San Diego and Tiajuana, Mexico.

New Purge

(Continued from Page One)

then being Maxim Gorky, the writer. It was charged he had been killed by opponents of Stalin.

Observers who expect more sensational developments now said the medical men in the 1937 trials were presented as tools of politicians whom the regime wanted to get rid of. They also commented that the usual pattern of Communist purges is a series of arrests which tend to build up a case and to arouse public sentiment against one or more political figures who, until then, have seemed to be firmly established.

The death of Zhdanov four years ago gave rise to speculation then that he might have been the victim of political rivalry. He was generally described by Western experts on Russia as an opponent in the Politburo of Georgi M. Malenkov, who has recently been generally regarded as the man most likely to succeed Stalin.

Some experts have suggested that if Zhdanov was really the victim of a political plot, its authors would at some point wish to fix responsibility on somebody else.

The State Department commented that while the "real motivation" of the arrests is not yet known, they give evidence of uncertainty and insecurity within the Soviet Union.
