UN Cuts Red Convoy Plan

MUNSAN (AP)—The U. N. Command today sharply reduced the immunity from attack granted Communists for truck convoys supplying the Red truce delegation. The U. N. said the Reds have abused the daily convoy privilege by using it in direct support of their war effort in the Kaesong area. The U. N. Command informed the Communists that immunity for the daily nine-vehicle convoy between the North Korean capital of Pyongyang and the Red armistice camp at Kaesong will be limited to one day a week beginning Jan. 25. One convoy of six trucks and three jeeps from Pyongyang to Kaesong and one from Kaesong to Pyongyang will be granted safe conduct provided they depart from their starting points between 6 and 7 a. m. on Sundays and arrive at their destinations by 8 p. m. the same day.

Defense Raps Segregation

WASHINGTON (AP)—The Department of Defense has taken a stand against segregated schools on military posts and has checked a specific complaint to U. S. Commissioner of Education Earl J. McGrath. Sen Humphrey (D-Minn) made public last night a letter from Assistant Secretary of Defense Anna Rosenberg to McGrath. The letter dealt with protests against racial segregation in schools at Ft. Sam Houston and Ft. Bliss in Texas, Ft. Sill in Oklahoma and Ft. Belvoir in Virginia. Mrs. Rosenberg said this was against the policy of the Defense Department and President Truman. She put the matter up to McGrath, whose office handles federal education grants in defense areas. Humphrey, in a separate letter, called for a statement of policy from McGrath. McGrath was not reached for comment.

Dance Course Slated Here

A 10-week course in beginners square and folk dancing is scheduled to get underway in the near future at Fremont School under the sponsorship of the city recreation department. The classes are to commence on Jan. 21 or 22, and will be held on Wednesdays or Thursdays thereafter — whichever the registrants choose. There will be a registration fee of \$4, or 40 cents per session. While the course is being held for the instruction of beginners, City Recreation Director Bob Bonney notes each evening of dancing is actually an evening of square dancing and a social good time. The majority of the people who danced in last year's groups have become members of private dance groups or formed groups of their own which meet regularly. Otto Ellis, prominent Basin caller and instructor, is to supervise the course, and will be assisted by guest callers from the Basin Callers and Instructors Council.

KF May Be Site Of Realty Meet

Klamath Falls may be the site for the 1954 convention of the Oregon Realtors if proposals of the Klamath Realty Board go through. The board, in a meeting held Wednesday in the Willard's Blue Room, heard state board representative Al Longe report on the status of the convention. Longe said from all reports at the convention the 1953 year "looks good." Out-of-town guests at the regular weekly meeting included William W. Barndick, Portland, and Bill Barlow, a Los Angeles realtor. The 1954 convention will probably be held in September if held here, but final decision is not expected until later. British Nab Nazis; Plot Said Planned

BONN, Germany (AP)—In a surprise midnight swoop, British police last night arrested six former Nazis and accused them of plotting to regain power in Western Germany. British public safety officers, assisted by armed military police, hauled the men out of their homes in the Hamburg and Duesseeldorf areas, in the British occupation zone, and carted them off to an undisclosed jail. A British Foreign Office announcement, issued in London, said the plotters promoted anti-Western views and propaganda which threatened the West German federal government as well as Allied policies. The statement added that investigation would continue of the group's activities and "contacts within and without the federal republic." Britain's high commissioner in Germany, Sir Ivone Kirkpatrick, ordered the arrest under a law empowering occupation authorities to act against threats to the security of the Allies. Those arrested included: Dr. Werner Naumann, former state secretary in Dr. Joseph Goebbels' Propaganda Ministry who was nominated in Hitler's will to succeed Goebbels as Reich propaganda minister; Heinz Siepen, former Nazi district group leader, now a partner-owner of the Punkalt steelworks at Solingen; Dr. Karl Scharping, former official of the Reich Propaganda Ministry's Radio Department. The announcement said British authorities have known for some time that a group of former Nazi leaders in the British zone were plotting to regain power. The arrested men were seized under a law empowering occupation authorities to act against threats to the security of the Allies.

BED-WETTING IS A SYMPTOM

It has been definitely established that bed-wetting is a symptom of an emotional maladjustment, which can be caused by any of a multitude of simple emotional disturbances. What is of even greater importance than the cause, however, is the effect in the life of an individual. A bed-wetter often develops introverted habits because of the embarrassment he feels. In other cases, he becomes overly aggressive to compensate for his weakness. In the latter case, he reassures himself every time he opposes authority or acts the bully. Obviously, other unpleasant behavior traits can develop because bed-wetting is socially embarrassing and thus causes a person to feel insecure about his capabilities. Fortunately, bed-wetting can now be corrected and often within a few days. The Oregon Psychological Research Foundation has developed a system of treatment which corrects enuresis (bed-wetting) in ninety-seven out of every hundred cases. (The other three can be cured, too, but they may require more time).
