Ike to Oust Red Followers Scores 'Witch Hunt' Tactics

Four Die In House Blaze

NASHVILLE, Tenn. (AP)—A doctor, his wife and two young children were burned to death early today in a fire that destroyed their 10-room home.

made it clear he wants a new loyalty program set up promptly for tighter screening of government employees and applicants for positions.

The matter, it was learned today, was discussed at length at one of the conferences Eisenhower held with his Cabinet and other top appointees last Monday and Tuesday.

Tentative decisions reportedly were reached on the general outline of a new screening program, but the nature of it is being kept secret by those who attended the conference.

Eisenhower arranged to confer today with Rep. McConnell (R-Pa.), new chairman of the House Labor Committee.

Indications were that the President-elect and McConnell planned to get each other's views regarding possible amendment of the Taft-Hartly Act.

During the campaign Eisenhower opposed repeal of the controversial law but said he favored amending it.

Eisenhower's discussion with his Cabinet of a new government loyalty program was against the background of his campaign criticism of the Truman administration's handling of the matter.

secretary of state-designate; and Harold E. Stassen, who will head the Mutual Security Agency.

When the session ended, reporters got a chance to question only Wilson and he declined to talk about the conference.
