

Peace Memorial Speaker Due

PORTLAND — Bayard Rustin, college secretary of the Fellowship of Reconciliation, will speak twice in Klamath Falls Sunday, Feb. 1. He will speak on the subject "Old and New Armor" at the 11 a.m. worship service of the Peace Memorial Church. At 2 p.m. in the First Presbyterian Church, he will address a public meeting sponsored by the local chapter of the National Association for the Advancement of Colored People on the subject, "Africa Aflame".

Bayard Rustin is an authority on and exponent of the non-violent approach to the solution of social problems. During World War II he spent 24 months in federal prisons for his religious refusal to accept conscription and war. In 1949, he was sentenced by the courts of North Carolina to 30 days on the road gang for disobeying Jim Crow laws on a bus trip through the South.

During the summer of 1952 he toured Europe and Africa where he observed first-hand the struggle of the masses against poverty, oppression and exploitation. He consulted with leaders in the Gold Coast, Nigeria and French West Africa concerning the use of non-violent resistance in their struggle for freedom.

The meetings in Klamath Falls are part of a Western tour which Bayard Rustin is making under the auspices of the American Friends Service Committee. They are open to the public without admission charge.
