LINDLEY HEIGHTS
Lindley Heights Home Extension Unit held an interesting meeting Jan. 14. Fourteen members were present, including three new members—Maggie Upton, Iona Hall and Evelyn Lowther. Favorite recipes were exchanged. Helen Owens demonstrated the basic tools in the making of spice shelves.

HOT DRINK

Heat a can of cocktail vegetable juices; and top the beverage with a pat of butter for a grand cold-weather drink. Youngsters will welcome this after they trudge home from school.

Hearty Soups And Chowders

Gold, gray, rainy days seem to brighten like magic when a steaming bowl of hot chowder or a well-seasoned cream soup is served for lunch or dinner. The house is filled with a fragrance which warms the heart and lifts the spirit. With crisp, buttered crackers or bread, a salad and dessert, the meal is complete.

In making chowders and rich cream soups, much can be left to the imagination of the cook in seasoning, and utilizing leftovers, most cream soups and chowders are made with fresh, whole milk as the base, and are adaptive to extra seasonings as well as combining smoothly with a variety of

seafoods, vegetables or meat flavors. Cream soups made with a thin cream sauce base are especially quick and easy to prepare, which makes them a good selection for school day lunches when the youngsters come in rosy-cheeked and ravenous.

Besides being economical and good to eat, hearty soups and chowders are brimful of vitamins and good food value. Too, it's an ideal way to add an extra serving of milk to family meals.

3 or 4 Tbsp. minced onion
3 Tbsp. flour
3 cups milk
1 cup vegetable water and-or milk
About 1 1/2 cups finely chopped or sieved cooked vegetables.
2 tsp. salt
Pepper
1/2 tsp. Worcestershire sauce
Melt butter in top of double boiler over direct heat. Add onion and cook until tender. Gradually stir in flour, stirring until smooth. Place top of double boiler over hot water and gradually stir in 3 cups milk, stirring constantly. Add vegetable water and-or milk. Stir and cook until smooth and thickened. Add vegetables, salt, pepper and Worcestershire sauce. Heat. Serve in hot soup dishes and garnish with parsley.

1 cup diced bacon or salt
1/2 cup diced onions
1/2 cup diced celery
3 cups cooked Lima beans (12 ounce can)
2 1/2 cup whole kernal corn
4 cups milk, scalded
2 tsp. salt
1/2 tsp. pepper
1/2 tsp. paprika
1 tsp. Worcestershire sauce
1 Tbsp. flour
Fry bacon until crisp, add onions and celery and cook until light yellow in color. Add Lima beans, corn, scalded milk and seasonings.

Simmer about 4 minutes. Blend 1 Tbsp. flour with 3 Tbsp. water and stir into mixture. Meanwhile, make your favorite dumplings and add parsley. Drop from a spoon onto top of simmering chowder. Cover and cook for 12 to 15 minutes. Serve as a main dish.
