... of electing and installing new ... Klamath Yacht Club, Jan. 17, was promptly ... evening after 9 p.m. last Saturday night ... to the balloting and installation, ... past commodore, was master of ceremonies ... Robert O. Sproat, flies the commodore's flag for '53.

Howard Pernell, outgoing commodore, is shown in one of the above pictures giving the symbolic banner to newly-elected Commodore Sproat. Dr. Richard Currin, new vice commodore, assumes the office held in '52 by Dr. Neil Black. In one of the pictures, a part of a model sailboat vaguely shows. The model, perfect in every detail, was made by Dr. Black. He gave it to the club with an offer of the pattern and complete instructions for

any ambitious member wanting to make a reproduction. This concrete evidence of Dr. Black's interest in the club represents a very small part of the many hours of work he gave as vice commodore. Elbert Stiles, who headed the committee for the successful Installation Dance, and Bob Waggoner are hold-over directors. Lewis Kandra is honorary director; Innis Roberts is new active director; Maury Clark, who headed the house com-

mittee in '52, is new associate director. Bert Schmidt is secretary and Burge Mason is treasurer. Appointive offices have not yet been announced by the new commodore. The cocktail hour from 6:30 p.m. to 7:30 was followed by the buffet dinner at 8. Dancing was from "ten on." Syn Halaas played for dancing and Mrs. Halaas was at the piano during the dinner hour. —All photos by Guderis
