

For your "company dinner"—choose a SAFEGWAY *Guaranteed* Rib Roast

Starting, as we do, with just the top grades is vitally important to Safeway's plan of bringing you fine-eating meat. But it's not enough. To make certain this meat reaches your table in perfect condition, all cuts are trimmed before weighing.

Take rib roast, for example. Before it goes on the scale, each roast is cut short . . . large portions of short ribs are trimmed off to be sold at a lower price per pound. Lopped off, too, are large pieces of bone and excess fat. So, pound for pound, you get more tender meat in rib roast from Safeway. We guarantee you'll be pleased . . . or your money back.
