Noted Scribe Writes Tale

The quality of deep beauty in Ernest Hemingway's book, "The Old Man and the Sea" eludes analysis. It is the absorbing account of an old man's vigil and victory on the lonely sea; the amazing contest with a tremendous fish; the unbelievable patience, endurance and contrivance of the old man, alone in his boat. It is the saga of his desperate fight with ocean enemies, all narrated with a startling vividness, a reality of detail transfused the romantic and ideal.

The old man is an epic figure, his experience the odyssey of a heroic and lovable human being schooled to expend himself to the limit, and having done so to accept what comes. The book is different from what Hemingway has done before, it is different, probably, from what anyone else has done before.

These are best seller books at your city library. Fiction—East of Eden, Steinbeck; The Silver Chalice, Costain; Giant, Ferber; Steamboat Gohin, Keyes; The Gain Muttiny, Wolk; The Wonderful Country, Lee; The Old Man and the Sea, Hemingway; Don Camillo and His Flock, Guareschi; Queen's Gift, Fletcher; The Man On A Donkey, Prescott; Houses in Between, Spring; The Gown of Glory, Turnbull.

General—Tallulah, Bankhead; A Man Called Peter, Marshall; Holy Bible, Revised Standard Version; The Power of Positive Thinking, Peale; The Last Resorts, Amory; The Big Change, Allen; Beyond the High Himalayas, Douglas; The Clitter and the Gold, Balsam; The Sea Around Us, Carson; The Great Enterprise, Overstreet; The Hunter, Hunter; Divided We Fought, Donald.

NEW IDEA
If you're looking for a smart, practical decorating touch, stretch a width of burlap tighly across one wall. It's especially suitable for a boy's room because the banners and stuff that are changed and rearranged so often can be hooked into it—eliminating thumb tack marks in the walls. And, of course, when the wall begins to look tired, the burlap can be taken down, completely refreshed by laundering in soapsuds, and replaced without even ironing it.

A dress that can be sudsed and dried in short order and needs no ironing is cheap at any price.

Desserts Add Luscious End

Want to bring a little sunshine into these wet, gray January days? Serve a luscious fruit pudding for dessert this very evening. Top it with fluffy whipped cream or a scoop or two of vanilla ice cream and watch the family smile!

By pudding we don't mean literally the starchy, bready or glue-like concoctions which are frequently associated with the word. Rather, it is meant to include the complete range of custards, tortes, cobblers and baked or steamed desserts which are so delicious served warm with cream.

Pudding, custards and desserts are usually easy to make and easy on the budget too. They can be served to the youngsters in the family with no fear of upset stomachs for the ingredients are usually simple and wholesome. Here is one the youngsters will love:

ORANGE-MARSHMALLOW CUSTARD (Serves 6)

3 eggs, slightly beaten
1/4 cup sugar
1/4 tsp. salt
3 cups milk, scalded
1/2 tsp. vanilla
6 marshmallows
1 Tbsp. grated orange peel

Combine eggs, sugar and salt; slowly add milk and vanilla. Pour over marshmallows in individual custard cups. Sprinkle with grated orange peel. Set in pan containing 1 inch hot water. Bake at 225 F. 20 to 40 minutes, until inserted knife comes out clean.

The whole family will enjoy: **SPICY APPLE PUDDING** (Serves 6)
1 cup sugar
1 tsp. soda

1 cup flour
1 tsp. cinnamon
1/2 tsp. cloves
6 Tbsp. melted butter
1 egg, well beaten
3 large apples
Sift dry ingredients, add melted butter and well-beaten egg. Peel and chop 3 large apples and mix into dough. Bake 45 minutes at 325 F. Serve warm with whipped cream or ice cream.

ORANGE TORTE (Serves 6)

1 orange
1/2 cup shortening
1 cup brown sugar

1 egg
1 cup sifted flour
1/2 tsp. soda
1/2 tsp. salt
1 cup buttermilk
1 cup raisins
1/2 cup all bran

Grate rind from orange. Squeeze juice (1-3 cup). Cream shortening and sugar well. Add egg and beat until light and fluffy. Sift dry ingredients and add to creamed mix.
