LIVESTOCK

CHICAGO LIVESTOCK

CHICAGO (AP) — An unevenly steady to 25 cents lower hog market Friday was cut to much the same pattern as Thursday's trade.

Cattle were steady to weak and sheep about steady on light supplies.

Most butcher weight hogs sold from $16.75 to $19.25 with preferred kinds getting $19.35 to $19.40. Sows brought $14.75 to $16.75.

A few commercial and good steers were about all there were around, selling at $16.50 to $20.00. Comparable grades of heifers were $15.00 to $20.00.

Sheep had a deceptive appearance of steadiness, largely because there were so few in the market.

Rails Escape Strike Threat

OTTAWA, Ont. (AP) — Railway and union leaders agreed Thursday night to a 12 per cent wage increase for 16,000 Canadian trainmen and the union cancelled a railway strike call which would have paralyzed the nation's transportation system in the dead of winter.

The walkout had been called for Monday.

Prime Minister Louis St. Laurent had called Thursday night's successful meeting between representatives of the Brotherhood of Railroad Trainmen and of Canada's two major roads, the government-owned Canadian National Railways and the privately owned Canadian Pacific Railway. All previous negotiations had failed.

Infants Killed By Pneumonia

SALEM (AP) — Four babies, all less than a month old, have died here in the past week from a form of pneumonia that kills within a day after it hits.

Dr. W. J. Stone, Marion County health officer, warned doctors and hospitals to be on the alert for it.

The fourth death, that of a 28-day-old baby, occurred Thursday.

JAN. 28 POTATO REPORT

At Portland today the potato supply was moderate. The demand was moderate and the market was steady. Brokers sales of Oregon deschutes russets, U. S. No. 1 A, brought 4.35 a 100 pound sack. Idaho russets, U. S. No. 1 fair quality, brought 4.40 a 100 pound sack.

At San Francisco today the potato market was about steady. Klamath russets, U. S. No. 1 A, holdovers, brought 3.85 a 100 pound sack, in track sales by brokers. Russets from the Deschutes district, U. S. No. 1 A, 2-inch minimum size, fine quality, brought 4.75 a 100 pound sack in brokers track sales today.

At Los Angeles today trucklot and carlot sales of Idaho russets, U. S. No. 1A, brought 4.15 to 4.40 a 100 pound sack in a few sales. The small size russets, U. S. No. 1 A, brought as low as 4.00 a 100 pound sack.

At Chicago today the potato supply was light. The demand was light and the market was about steady. The market had a firm underlone on the best grade large russets. Track sales of Idaho russets, U. S. No. 1 A, washed and unwashed, 25 to 35 per cent 10 ounces and larger, brought 4.85 to 5.00 a 100 pound sack. Street sales of U. S. No. 1 A and generally good quality Idaho russets brought 5.25 to 5.50 a 100 pound sack. Most of the sales ranged from 5.35 to 5.50 a sack.

Track holdings at the 16 major markets of the nation today amounted to 1363 cars of potatoes. This compares with 1381 cars on track one week ago. Arrivals today were reported at 354 cars. This compares with 417 cars arriving one week earlier.

Total shipments of potatoes throughout the nation yesterday amounted to 689 cars. Of this number the Pacific Northwest shipped 203 cars with Idaho moving 165 cars, Oregon 26 cars and Washington 12 cars.

CHICAGO GRAIN

CHICAGO (AP) — Grains suffered a spill early in the session on the board of trade Friday and then spent the rest of the day trying to get back the ground they had lost overnight.

They weren't too successful in this attempt. Although losses were reduced all around here and there an isolated contract poked above the previous close. This was particularly true of March wheat, aided by sale of 780,000 bushels of hard wheat to the United Kingdom.

In the early slump some near-by corn and distant soybean contracts went to new seasonal lows. Heavy receipts of cash corn and a government report of large stocks of soybeans in processors' hands caused the selling.

Wheat closed ⅛-⅝ higher, March $2.29 ⅛-$2.29, corn ¼ to 1 cent lower, March $1.60 ½-¼, oats ⅜ lower to ¼ higher, March $1-81 ⅛, rye ¾-1 ½ higher, May $1.82 ¾, soybeans 1 ⅛ lower to ¼ higher, March $2.94 ⅛-$2.94, and lard 10 cents lower to 5 cents a hundred pounds higher, March $9.00.

Solons to Investigate Death of State Figure

WASHINGTON (AP) — The State Department will be asked to tell Congress what it has learned in an investigation of the death of John C. Montgomery.

Montgomery was head of the department's Finnish desk when he apparently hanged himself from a stair rail in his fashionable Washington home early last Saturday.

Rep. Brownson (R-Ind), chairman of a House government operations subcommittee which handles State Department matters, said late yesterday he would ask Secretary of State Dulles at once for a full report.

The State Department investigated the death as a routine procedure since Montgomery had access to secret documents.

Brownson acted after Rep. Busbey (R-Ill), in a House speech yesterday, said "there are many questions that remain unanswered."

DISSATISFIED

Busbey indicated he was far from satisfied with explanations that Montgomery was despondent because he was lonely and unmarried and discontented with his job.

Busbey insisted Montgomery, 41, was "very popular and was a bachelor by choice . . . his promotion was fairly rapid, as he was head of the Finnish desk after about six years with the State Department."

Busbey said the State Department and police have surrounded the case with "mystery and secrecy" but the public is entitled to know the truth because Montgomery held an important and confidential position and handled secret government documents.

"It may be no more than a coincidence that he worked in a government agency where Communists, Communist sympathizers, and poor loyality risks have plagued our security," Busbey said, adding:

"In view of the fact that Montgomery brought his own life to an end, we should not assume that he was innocent of such associations. For our sakes, as well as for his, we should know whether or not he was innocent . . . ."

Busbey said there is reason to believe that some time elapsed between the discovery of Montgomery's body by Marvin Braverman, Washington attorney whose home Montgomery shared, and Braverman's telephone call to a District of Columbia commissioner.

QUESTIONS

"What happened during that time?" Busbey asked. "Did Montgomery leave a note, as suicides generally do? Was such a note destroyed to protect the dead, and perhaps some living?"

P. Joseph Donohue, one of three commissioners who govern the District of Columbia, said there was no mystery as far as he was concerned.

Donohue said he and Braverman are old friends. He said Braverman called about 5 a.m. Saturday, informed him he had called the police and an ambulance and asked what else to do. Donohue said he replied there was nothing else to be done that he could see.

Police Chief Robert V. Murray said there was no note. If there had been, he said, it would have been brought to light by now.

Deputy Coroner Christopher J. Murphy said no certificate of suicide has been issued, pending completion of investigations.

CAA Schedules New Frequency

Aircraft communications frequency changes due in the near future have been announced by the Civil Aeronautics Administration, and it is up to pilots and aircraft owners to convert crystals in radio sets.

The new frequency is to be set at 302.5 kilocylces, though an "overlap guard" will be maintained on the old frequency for an indefinite period which may be terminated at any time.

The old frequency is set at 3105 kilocycles at present.

Date for the conversion has been set by the CAA for March 15.

Church Offers Revival

The Rev. Paul McCasland, secretary of evangelism of the Baptist General Convention of Oregon-Washington will conduct a series of old-fashioned revival services at the fair grounds, beginning Sunday, Feb. 1 at 7:30 p.m. The services to which everyone is invited will continue for a week or 10 days.

The Sunday morning worship service will be held in the music room of the Altamont Junior High School with Rev. W. P. Weeks, pastor of the Altamont Baptist church assisting.

United Offers Tourist Plan

The United Airlines has announced it will inaugurate low cost air tourist service between the Mainland and Hawaii in D-C 6 equipment, local UAL officials reported today.

This is in addition to United's 12 weekly Stratocruiser flights linking the Mainland with Honolulu. The economy service is planned to offer close connections with 70 cities on United's coast-to-coast system.

KF Exchangites Aid Medford

Exchangites from Klamath Falls — members of the local Exchange Club—are sponsoring an Exchange Club in Medford which is to receive it's national charter Feb. 7.

District Gov. Clement E. Krueger is to present the charter, which is to be accepted by Walter D. Nunley, president of the Medford Club.

At the same time a national service award is to be presented to the Klamath Falls club for its sponsorship of the new club's organization.

Park Gets New Snowfall

Five inches of new snow fell at Crater Lake last night making a total of 113 inches on the ground. South and West entrances on Highway 62 are open but park officials advise chains. The road from Annie Springs to the rim is temporarily closed and it was snowing lightly at mid-morning.

Snow depth taken yesterday was 110 inches with a water content of 44 inches in comparison to 162 inches in 1952 and 72 inches of water content.

Average over a 6-year period is 127 inches of ground snow and 41 inches of moisture.

Family Finds New Home

FORT KLAMATH — Mr. and Mrs. Warren W. Wilder and their three young sons returned last week from a trip to the coast and several days' stay at Depoe Bay, where they packed and brought back a load of personal belongings to their home at the Junction Service Station located one mile south of here at the junction of Crater Lake Highway 62 and Sun Mountain highway 232 (formerly 97).

To the uninitiated, the above would appear to be just an ordinary prosaic news item, but it is far from being that, for "Wilder" is but one of three names of a most colorful and interesting Korok (upper Klamath River) Indian. This is his legal name, the other two being "Lefty" Wild Eagle (derived from the fact that he lost his right arm when but 10 years old; and the third being his Indian title, Lo-Molo Chack-Chack. He and his unusually pretty young wife, Jenie (of the Assininboine tribe of Montana) with their three 3, 6 and 7-year-old sons, came to live at the Junction late last fall, and the trip to the coast was made to bring back here to its new location furnishings, Indian relics, novelties, etc., from the museum and gift shop formerly operated at Depoe Bay. "Lefty's" present location at the junction is ideally situated for this business, as annually thousands of tourist travel the highway past his door, drawn here by Crater Lake, world-famous scenic attraction located just 22 miles north of Fort Klamath.

On Nov. 17, shortly after the newcomers had moved here, a story written by Malcolm Epley Jr., appeared in the Herald and News, under the title of "Lefty Wild Eagle Sets Tepee at Fort Klamath"; also in the Jan. 25, Sunday Oregon Journal, was another interesting article on the same subject, entitled "Boiler Bay Visitors Will Miss "Lefty's Dances This Summer", written by Beverly Rogison, Depoe Bay and complete with a picture of Lefty standing in front of his tepee in full Indian native dress.

This story tells of the departure of Lefty and his family, much of it being along the same lines as that of the Nov. 17 story in the Herald and News; however, the closing paragraph is very significant and merits special mention, so it is herewith quoted from Beverly Rogison's Journal article, as follows:

"Lefty was active in all civic affairs here, a member of most local organizations, and a favorite and highly regarded speaker. Though he was never officially tagged as first citizen of this area, he was considered just that by admirers."

This in itself is a fine tribute to our colorful new resident, and we of Fort Klamath and the Wood River valley are indeed fortunate that he and his family have chosen to make this their new home, for they are great assets to any community and will prove to be of unusual interests to travelers passing through during the coming season.

Sacred Heart Notebook

By MARY EGAN

On the basketball schedule for tonight are the Henley Hornets and Academy Trojans. This is a league encounter to be played on the Academy floor, starting off with the B teams of the two schools at 7:30. As can well be expected SHA fans will be out to cheer for a fifth conference victory against no defeats.

Saturday night, too, will see the Trojans in action opposite the Malin Mustangs. Again this will be a home game, though a non-league tilt. Because of this game there will be no after-game-dance Friday night, but Henley students as well as Malin are enthusiastically invited to the dance slated tomorrow night sponsored by the boys Lettermen's Club. Consequently, it will be a busy and exciting weekend for SHA.

Comments indicated that the girls masquerade party, planned by the girls Letterman's Club, was one complete, happy success. The affair took place Wednesday evening in the school auditorium, with funny games and dances adding up to a night of merriment. The highlight was the awarding of prizes for the most original and unusual costumes to Cecilia Kann and June

As of yet the honor roll for this term has not been completely compiled, but come Monday, those earning 1st, 2nd and 3rd honors will be posted.

See ya' at the game tonight, Okay?

K.A. Moore's Mother Dies

Mrs. C. F. Moore, mother of Kenneth A. (Dinty) Moore, died Thursday afternoon, Jan. 29, at Hoquiam, Wash., following a long illness. Mrs. Moore was 77 at the time of her death.

Before the stroke, from which she never recovered, Mrs. Moore was a frequent visitor at the home of her son in Klamath Falls; and had a wide acquaintanceship here.

Survivors, other than her son, Kenneth Moore, include a daughter, Mrs. Leslie S. (Jeanette) Waugh, Aberdeen; and 3 grandchildren, Wallace Waugh, and Joan and Tommy Moore.

Funeral services will be held Monday at the Methodist Church, Hoquiam; interment in the Aberdeen cemetery.

ECLIPSE BEHIND CLOUDS

PORTLAND (AP) — A cloud cover prevented most Oregonians from seeing Thursday's total eclipse of the moon. An earth's shadow entirely covered the moon for an hour and 25 minutes, starting at 3:05 p.m.

Wurlitzer Builds for Keeps.
● Solid Oak Back and Posts.
● Full Metal plate.
● Finest Quality Spruce sounding board.
● Tonal design by world's leading acoustical engineers.
Yet Wurlitzer Pianos are not just a few dollars but actually hundreds of dollars under many pianos not nearly as well built. This is accomplished through the application of modern efficient factory and marketing methods, setting a new standard in the piano industry. Rent one of these lovely spinet pianos if you wish. Apply rent for a reasonable time toward purchase. The lovely colonial spinet $581 delivered with bench.
