

DORETHA ROSE ... 11 year old daughter of Mr. and Mrs. Cyril Rose, 2215 California, is pictured in a Menaplex respirator after spending two months in an iron lung. She has been in Sacred Heart since September when she suffered a severe attack of poliomyelitis. The rash which shows on Doretha's normally lovely skin is temporary and was caused by such a long time in the iron lung. She is now out of the Menaplex and receiving treatments, such as in the pool, in right winter picture.

... in the Menaplex respirator. Davis, Pass furniture dealer, has been in Sacred Heart Hospital since October. He is married and the name of his spouse, with him is Mrs. Ethel Davis. When the iron lung is attached to the one now on display at the hospital, the Klamath Respirator Fund was used to purchase the one at the bank.

LITTLE MARGARET SHOREY ... 2½, from Sutherlin, has been in the polio ward since Oct. 13. Her progress has been under the expert supervision of doctors, nurses and physical therapists; all who are paid by contributions from you. Mrs. Alice Vitus, Klamath County Chairman, and secretary of the Klamath Falls Chapter, has personally visited the hospital in Eugene, and she stated that anyone who saw the care and attention given the patients in Sacred Heart, would "dig deep" indeed, during the present drive.

DAVID DAVIS ... in pool, receiving physical therapy treatment. Mrs. Sarah Cornwell, physical therapist, one of the many skilled in the treatment of polio, whose services are made available by your contributions. Davis and his wife, Georgia were stricken with polio Aug. 26, at their home in McCook, Nebraska. Davis' father, Elkton, brought them here for treatment, November 3.
