WALL STREET

NEW YORK (AP) — A moderate but relentless decline carried the stock market down all around Friday.

The fall extended to around 2 points at the outside with the exception of some higher priced issues that slid off a little more. Gains were minor and scattered.

The volume of business came to an estimated 1,700,000 shares. That compares with Thursday's 1,900,000 shares.

Grain

CHICAGO GRAIN

CHICAGO (AP) — Every contract of every grain except March soybeans plunged to a new seasonal low on the board of trade Friday as a series of heavy selling waves swept over the grain pits.

The market staged a good rally toward the close, but still remained down for the day. At one time wheat had losses running to as much as 5 cents, corn and oats 6 cents, rye 4 1/4 cents and soybeans 6 1/2 cents.

It was the most severe one day drop which has yet been experienced in the long decline which got underway late last summer.

The selling was touched off by news the Agriculture Department would take no emergency action to halt the drop in farm product prices, relying on the price support program in the present agriculture law.

Wheat closed 2 3/4-3 1/4 lower, March $2.25 5/8-3/4, corn 4 to 5 1/4 lower, March $1.52-$1.53 1/4, oats 3 to 3 3/4 lower, March 76-76 1/4, rye 2 3/4-3 3/4 lower, May $1.76 3/4, soybeans 3 to 5 1/2 lower, March $2.86 3/4-$2.87, and lard 5 cents lower to 3 cents a hundred pounds higher, March $8.95.

Their report said increased profits are expected.

WASHINGTON (AP) — The FBI appealed Friday for public help in trying to keep children from playing on railroad tracks or tampering with railroad equipment.

Lattimore Trial Set For May

WASHINGTON (AP) — The perjury trial of Owen Lattimore Friday was set for May 11.

Chief Judge Bolitha J. Laws of U. S. District Court, who set the date, said it might be necessary to change it to a later time if there is undue delay in disposing of various defense motions.

And, the judge said, the trial date further is subject to the outcome of the motions.

Lattimore's attorneys served notice that they intend to file, among other motions, a request for dismissal of the seven-count indictment alleging the Far Eastern specialist lied to Senate investigators during a long inquiry last year into the Institute of Pacific Relations.

Lattimore, lecturer at Johns Hopkins University and an occasional State Department consultant, was indicted Dec. 16. One of the charges was that he lied under oath when he told a Senate committee he never promoted Communism. He has insisted he told the truth.

Portland Will Need New Teachers

PORTLAND (AP) — Portland schools will need about 400 new teachers next fall, Supt. Paul A. Rehmus told the school board at a special meeting Thursday night.

An increase in the number of pupils plus the fact that salaries aren't attractive enough to many, have combined to make the situation acute, he said. As a rule, Rehmus told the board, he has to look for only about 275 new teachers a year.

For the first time since World War II, he said, there will be a need for additional high school teachers. An increase of 1,000 in the high school enrollment is expected.

No Flood Aid Organized

Mrs. Virginia Dixon, executive director of the Klamath Red Cross chapter, said today she had been advised that no organized drive for relief of Holland's flood victims had yet been activated on the West Coast. However, Mrs. Van Berckel, 1128 Milvia, Berkeley, has been approved by both the Netherlands and U.S. Red Cross as an agent to accept blankets, shoes and some items of clothing for the disaster victims.

The U.S. Red Cross has already sent $100,000 to Holland for relief use and the Junior Red Cross has sent 100,000 gift boxes containing small articles of clothing and health supplies. The boxes are valued at $2 each.

Canadian Beef May Enter US

WASHINGTON (AP) — The Agriculture Department said Friday it still plans to re-open this country's borders to imports of Canadian cattle, beef and related products on March 1.

An embargo was placed on Canadian products of this kind a year ago when foot and mouth disease was discovered among cattle there.

With the disease apparently eliminated, former Secretary Brannan announced several months ago that the embargo would be lifted March 1 unless there was a new outbreak in the meantime. There has been none.

The office of Secretary Benson said Friday that the Brannan decision still holds.

There had been speculation that the date for lifting the embargo might be postponed in view of recent sharp declines in U. S. cattle prices.

However, the United States is committed under a trade agreement to permit a quantity of Canadian cattle and meat to be sent to this country. Officials said this quantity is less than 3 per cent of U. S. production.

Car Death Suit Set At $10,580

A judgement of $10,580 against Sanford LeRoy Henderson of Reedsport, Ore., was awarded Frank Hibbs, Jacksonville, Ore., after a brief trial of a lawsuit this morning in Circuit Court.

The lawsuit resulted from the death in an auto accident of Mrs. Amanda Hibbs, 56, wife of Frank Hibbs, on Aug. 31, 1951. Hibbs, as administrator of his wife's estate, sued for $15,000.

The accident occurred on Oregon 66 west of Klamath Falls, near King Cole. Henderson was indicted on a charge of negligent homicide after the accident, was tried in court here and found not guilty on Nov. 21, 1951.

He did not contest the civil suit for damages, and on last Jan. 6, after the civil suit had been pending for more than a year, an order of default was entered against Henderson.

That order established his liability for damages. The work of the jury in hearing the case today was to establish the amount of the judgment against Henderson.

Hibbs asked for a $15,000 judgment, legal maximum under Oregon law and testified that funeral expenses for Mrs. Hibbs came to $580. The jury decided upon $10,000 damages and added in the funeral expenses.

Henderson did not appear in court and was not represented by attorney.

Selection of the jury, opening statements, testimony, closing statements and instruction of the jury by Judge David R. Vandenberg took up only one hour. The jury's deliberations took about 10 minutes.

Hibbs was represented by the Medford law firm of Roberts, Kellington and Branchfield.

Members of the jury were:

Merle Loosley, foreman; Ted Durment, Frank Drew, Jim Cavanaugh, Walter Stasiny, Joe L. Hicks, Herbert Hadley, Robert Adams Jr., LeRoy Gienger, Jesse Z. Smith, Rudolph Sostak and Bob Ellingson.

He sent in verification of a 10-minute segment of the program, repeating announcements and music played, to prove he heard the program.

Michels also sent in $1 for the March of Dimes.
