**VFW Sponsored Kindergarten**

**MERRILL**—Friday, Feb. 13, was visiting day at the Merrill Kindergarten. Mothers, grandmothers, and friends of the 20 youngsters attending, were invited to observe the progress made by the preschool age children.

Regular class room work was carried out, and a skit "Little Black Sambo," and dancing to activity records delighted the visitors. Under the capable supervision of their teacher Mrs. Oren Storey, the youngsters have become extremely well adjusted in preparation for starting school next fall.

Valentines were distributed from a decorated box made by Mrs. L. C. Fleck. Refreshments of cookies and punch, made by the youngsters were served the guests.

Started on a "shoestring" in the fall of 1931 by the VFW Auxiliary, the kindergarten has proven a decided success. Twenty youngsters are accepted each fall, and registration is always completed early. Classes are from 9 to 11:30 Monday through Friday during the regular school term.

During the evening a variety of table games were played by guests and a clever peanut race was won by the "youngsters" over the "oldsters". A delicious buffet supper was served after the guest of honor had opened her gifts.

Especially for the occasion, Mrs. Montgomery wore a camellia corsage, the gift of her father. She was assisted in opening her gifts by her mother, Mrs. M. O. Hayes and her mother-in-law, Mrs. A. A. Montgomery Sr., of Klamath Falls.

**CIC Schedules Future Events**

**FORT KLAMATH**—The regular monthly meeting of the Civic Improvement Club was Friday afternoon, Feb. 6, with a good attendance present.

During the business sessions, plans were completed for a card party, Saturday evening, Feb. 14, in the clubhouse. Bridge, pinochle and bingo will be in play; prizes awarded and refreshments served. Admission price is 60 cents per person.

In charge of cards and serving as cashiers will be Mrs. Joanna Taylor and Mrs. William A. Page, the latter also making advertising posters for the affair.

Mrs. Joseph Halford will superintend the bingo game, and Mrs. Gene A. Page will purchase prizes.

Heading the refreshment committee is Mrs. Raymond S. Loosley, with Mrs. Frank Edwards and Mrs. Harold Wimer as assistants.

Presented for approval at this meeting by Mrs. Elizabeth M. Loosley, chairman of the club events committee, was a calendar of 1933 monthly affairs, which was accepted as read by members, with the proviso that changes could be made in the event of unforeseen developments making such alterations necessary.

Highlights of future events are two big annual club affairs, the Western style street dance scheduled for July, and the bazaar and dinner, in September.

Other interesting plans include a tea and style show (stressing old-time costumes) slated for June; a July "hobo" picnic, a deer hunters' novelty program in September; several open houses for the entire community; food sales; and a series of card parties; for which specific dates will be set later.

Also, for members only, and purely social, will be the revival of the semi-annual birthday parties to be held at meetings in May and August, at which times members' birthday anniversaries falling during the first and last six months of the year will be observed.

Accompanied by their leaders, Mrs. Frank Strahan and Mrs. Wilbur Hescok, the 19 members of the Horizon Club of Camp Fire girls of this district will enjoy a week's trip to San Francisco and the Bay area early in June. As sponsor of the teenage girls' group, the C. I. club granted use of the clubhouse for two fund-raising card parties to help finance the trip.

The parties will be on the evenings of Friday, March 6, and Friday April 3, and several club members have volunteered to help the girls with card arrangements and refreshments.

A feature of the next meeting Friday afternoon, March 8, will be a white-elephant sale. All attending are asked to bring wrapped articles for sale.

Welcomed as new members at Friday's meeting were Mrs. George Loosley, who with her husband and 5 month old son, George Allen, recently moved here from Parowan, Utah; Mrs. Dennis Knowles, and Mrs. Viola Page, Klamath Falls. The latter was made an honorary member of the club. She is one of our best loved pioneer matrons of the early Wood River Valley days, and has been visiting here at the homes of her two sons and grandson, Mr. and Mrs. William A. Page, Gus
