Bumper Light Program Set

The Klamath Falls Junior Chamber of Commerce is initiating a "Light-a-Bumper" program here this Saturday, emanating from Reeves Service Station, 4th and Main Streets, from 8 a.m. to 8 p.m. The program is to feature Scotch Light tape, to be placed on bumpers of automobiles as safety measures. The Scotch light is a part of a national Junior Chamber of Commerce program. A narrow strip of tape is applied to the rear bumper of autos.

It can be seen, according to Jaycees, at more than the distance a regular tail light can be identified. Motorists approaching "Scotch Light" autos from the rear should be able to more accurately judge the width of the vehicle he is nearing, and thus be able to pass at a sufficient distance to take required precaution. The Jaycees are asking a \$1 fee for the service, and are donating their time for the project, as is Ray Reeves, proprietor of the service station.

Louis Serrus, chairman, and his committee are going all out to make the evening an outstanding success. They have a planned menu and Louie says that it is no "paper cup" affair. Menu includes: relishes, Olympia oysters, Cooz Bay crab, cole slaw, hard rolls, fresh strawberry tart, coffee and beer. Cocktail hour from 6:30 to 8 p.m., and dancing from 10 to 1 to Morgan-McDonald music. Job's Daughters are planning elaborate decorations for the occasion.
