

FINANCE

NEW YORK (U) — Aircraft were bought at higher prices Tuesday but the stock market otherwise was thoroughly mixed.

Prices ranged from around a point higher to fractions lower, and that spread in the range gave an indication of the extent of the upside nature of the market.

Volume was right around Monday's levels — an estimated 1,600,000 shares as compared with Monday's 1,760,000 shares.

CHICAGO (U) — Soybeans drove upward toward the close on the board of trade Tuesday, the March contract going above \$3.00 for the first time since Jan. 5, in active dealings.

The rest of the market also improved in the last hour. Gains were sufficient to get wheat back to around previous closing levels after it had sold off more than a cent during early dealings. Mills bought wheat following sales of flour to foreign countries.

What closed 1/4-1/2 lower, March \$2.24 1/2, corn 1/4-1/2 higher, March \$1.56 1/4, oats 1/4-1/2 lower to 1/2 higher, March 75-76, rye 1 1/2-2 1/2 higher, May \$1.81 1/2-4, soybeans 1/2 lower to 1/2 higher, March \$2.94 1/2, and hard 1/2 to 22 cents a hundred pounds higher, March \$9.70.

	Open	High	Low	Close
Mar	2.25 1/2	2.25 3/4	2.24 1/2	2.24 1/2
May	2.29 1/2	2.29 3/4	2.28 1/2	2.28 1/2

Hard Red Winter: Ordinary 2.44 1/2; 10 per cent 2.44 1/2; 11 per cent 2.44 1/2; 12 per cent 2.44 1/2. Car receipts: wheat 114; flour 11; corn 4; mill feed 4.

CHICAGO POTATOES

CHICAGO (U) — Potatoes: Arrivals 111, on track 448; total U. S. shipments 972; supplies liberal; demand slow; market slightly weaker on russets, unsettled on reds; Idaho russets \$5.90-10, 10 to 10 mesh sacks in master containers \$5.40-50, utilities \$3.35-45; Iowa round whites \$2.25; Minnesota - North Dakota Pontiacs \$3.15-85; Florida 50 lb sacks Triumphs type \$2.90-35.

IDAHO MARKS (U) — (USDA) — Potatoes: market about steady; sales f.o.b. shipping point, Russets No. 1, 25-35 per cent 10 oz and larger, 3.70-40; 10-20 per cent 10 oz and larger, 3.50-70; No. 2, 2.10-25.

SAN FRANCISCO (U) — (USDA) — Potatoes: street sales mark about steady; prices unchanged. Sixteen cities: arrivals 501; cars on track 1,331.

LIVESTOCK

PORTLAND LIVESTOCK

PORTLAND (U) — (USDA) — Cattle: salable 150; market active, fully steady; two loads high choice 1,008 lb fed steers 24.25; lightly sorted at 23.25, few 538 lb commercial steers 21.50; utility-commercial heifers 15.00-19.00; canner-cutter cows 12.00-14.50; shells down to 10.50 or below; few commercial bulls 20.00-21.25.

Calves salable 35; few good low-choice vealers steady at 29.00-33.00; prime quotable to 36.00; utility-commercial vealers slow; few sales, 15.00-26.00; medium around 450 lb stock calves 18.00-20.00.

Hogs salable 400; market active, steady; choice 1 and 2 butchers 180-235 lbs 23.00-30; 240-300 lbs lighter weights up to 21.00.

Sheep salable 200; market steady; good-choice woolled lambs mostly 20.00; few lots mostly choice 21.00; large lot choice 102 lb No. 2 pelts red lambs 21.35; good-choice feeders salable 17.50-18.00; few good-choice slaughter ewes \$50-55.

CHICAGO LIVESTOCK

CHICAGO (U) — Hog marketing was irregular Tuesday, ranging from steady to 25 cents lower on butcher weights to steady to strong on sows.

Cattle were mostly steady but butchers suffered a steady to 50 cents lower market. Sheep failed to establish a market but were steady in early indications.

Most barrows and gilts sold from \$19.25 to \$20.85. Extremes were as high as \$20.90 and as low as \$18.50. Sows generally took \$16.25 to \$18.50. Supplies were in line with trade expectations and cleared well.

Most good to low-prime steers and yearlings sold from \$20.50 to \$25.00 and good to prime heifers from \$19.50 to \$24.00. Cows topped at \$16.50, bulls at \$19.50, and vealers at \$32.00.

Estimated salable arrivals included 11,000 hogs, 7,000 cattle — which was 30 per cent fewer than the 10,000 expected, 300 calves, and 3,000 sheep.

GOP's May Reorganize

WASHINGTON (U) — Republicans encountering difficulties getting their own men into government policy-making posts may resort to wholesale reorganization plans.

They may, too, try to change the civil service law to get rid of many highly paid Democrats held over in executive agencies from the Truman administration and protected from dismissal by civil service regulations.

The Federal Security Agency (FSA), headed by Mrs. Oveta Culp Hobby, an Eisenhower appointee, has been cited as an example of the Republicans' worries.

Some Republican leaders contend Mrs. Hobby cannot appoint a single policy-making official because there are no vacancies in those FSA jobs now and the present job-holders have civil service status.

President Eisenhower plans to send to Congress next week a reorganization plan for the FSA. The plan presumably is a preliminary to making FSA a full-fledged department headed by a secretary with cabinet ranking.

If not vetoed within 60 working days by either branch of Congress, the FSA reorganization plan presumably would provide for some new policy-making posts to be filled by Mrs. Hobby.

Some Republicans want to abolish the agency outright and set it up under a new name. In that way, they claim, all present FSA jobs except those specifically transferred to the new agency would be abolished.

TV Plans Blow Up

NEWPORT, Ore. (U) — Plans for a community television antenna system are about to go on the shelf. There don't seem to be any TV signals in the air over Newport.

A search plane found some, but it had to go above 5,000 feet to do it.

Tom Becker, president of Yakima Radio Inc., said Monday a few ground checks still would be made but in all probability Newport residents will have to wait until other television stations go on the air. At that time, new tests will be made, he said.

Ed Parsons of Astoria, a pioneer in the field of picking up TV programs on a community antenna and relaying them to subscribers' homes, made the aerial search for signals.

He said that apparently mountains in North Lincoln County are deflecting low altitude waves. Above 5,000 feet, he said, he found good signals from both KPTV at Portland and KING at Seattle.

Church Fire Scare False Alarm

The combination of an overheated room and the smell of smoke brought a fire alarm about mid-morning today from the Church of Jesus Christ of Latter Day Saints, Home and Martin.

City firemen could find no blaze and attributed the alarm to a stuck thermostat which caused the overheated room, and smoke which drifted in from the city dump.

Weather

Northern California — Fair through Wednesday. Slightly warmer afternoons. Winds off the coast northerly to northwesterly 10 to 20 miles an hour.

Grants Pass and Vicinity — Fair through Wednesday. High of 53 Tuesday and 50 Wednesday. Low Tuesday night 29.

Coos Bay Area — Partly cloudy through Tuesday night. Mostly cloudy Wednesday with occasional showers. Bar winds northwesterly 12 to 18 miles an hour. High of 47 Tuesday and 45 Wednesday. Low Tuesday night 41.

The five-day weather outlook for Western Oregon — Considerable cloudiness through Sunday, with a few periods of rain in the valleys and snow in the mountains. Precipitation will average from three-fourths to one and one-half inches along the coast and in the mountains. The average will be less in interior valleys, from one-fourth to three-fourths of an inch. Temperatures will be slightly below normal, with afternoon highs from 42 to 52 and night-time lows 23 to 38. Some night-time frost is expected.

Western Oregon — Partly cloudy through Tuesday night. Mostly cloudy Wednesday with occasional showers in north and along the coast. Highs both days 44 to 54. A little cooler Tuesday night with lows of 28 to 38. Winds off coast northwesterly to northerly 15 to 25 miles an hour.

Eastern Oregon — Fair through Tuesday night. Increasing cloudiness Wednesday with a few snow showers over the mountains Wednesday afternoon. Little change in temperature with highs both days 32 to 45. Lows Tuesday night 18 to 28 except 5 to 15 in high valleys.

Riddle Death Probe Pledged

SALEM (U) — Attorney General Robert Y. Thornton told a delegation of 13 rate citizens of Riddle, a Douglas County farming community, that he would consider their request for an investigation of the Feb. 1 shooting of Claire Burgoyne, Riddle cattleman.

Thornton said he would make a preliminary study to determine if an investigation should be made. Burgoyne was shot when sheriff's deputies tried to serve a warrant charging him with threatening to kill a neighbor.

The group came here to see Gov. Paul L. Patterson.

Patterson then called Thornton in.

G. N. Riddle, a spokesman for the Douglas County Citizens for Justice Committee that was formed to make the protest, told the governor and Thornton:

"They seemed not to want to take him, just to kill him."

Avery W. Thompson, Roseburg attorney, said the group believes that unnecessary force was used. He said that gas could have been used, and that friends of Burgoyne could have persuaded him to surrender.

Huron Clough, Days Creek, former highway commission member, said "something disgraceful has happened here. We are not sensation seekers. We are in deadly earnest."

Riddle said that between 1,000 and 2,000 shots were fired into Burgoyne's cabin, that soft-nosed bullets were used, and that the officers "were just trigger happy."

Thornton said he could not begin his study of the case before Thursday.

Transportation Tax Out Asked

WASHINGTON (U) — Exemption from federal transportation taxes for temporarily stored food intended for export was proposed Monday by Rep. Sam Con (R-Ore.).

He said that during harvest periods fruit growers sometimes are required to put carload lots of fruit in temporary storage outside the producing area. Under present regulations, this fruit is taxed.

These growers are entitled to the same consideration that is given to growers who store fruit in warehouses in the growing area and then export it untaxed, he said.

ART MEET

Mrs. R. E. Wattenberg, 219 Pine will entertain the Art Needlework Club, Wednesday, March 4 at 1 o'clock paper sack luncheon. All members are invited.

NATIONAL AFFAIRS COMMITTEE of the Klamath County Chamber of Commerce looks over pending legislation on both state and federal levels. The committee studies the legislation and determines whether any action need be taken by the local Chamber. If so, the group so recommends. Left to right (standing) Haasby Bachen, Clarence Ward, Fred Hoagland, Earl Kent; (seated) Russ Marshall, Chairman Ben Goddard, John Houston and Ed Chilcote.

Soil Meeting Set Wednesday

Soil fertility is scheduled for a thorough going over at a county wide meeting Wednesday 1:30 p.m. in the Henley Grange Hall.

The program, sponsored by the Grange Agricultural Committee in cooperation with the Klamath County Agents Office, is open to everyone.

Results of fertilizer trials carried throughout the county will be discussed by Dr. Al Halvorson of the Klamath Experiment Station.

Soil fertility work being done in other parts of the state and operation of the soil testing laboratory are subjects to be covered by T. L. Jackson, extension soil conservation specialist from Oregon State College.

Notice of the meeting was released by Walt Jendrzejewski, Klamath Agricultural Agent. He indicated Klamath farmers are showing considerable interest in soil testing. The agent said a better understanding of the value of soil testing should result from discussions scheduled.

College Choir To Sing Here

The Lewis and Clark College choir is to appear in concert at Mills Auditorium, March 11, 8 p.m., under auspices of Klamath County Presbyterian churches.

The choir, on its fifth annual tour, carries about 60 student singers. The tour is to conclude with two engagements in San Francisco.

Directed by L. Stanley Glarum, the choir offers a program of sacred music, contemporary compositions, popular spirituals, ballads and special arrangements by Glarum.

Tickets are being handled by the Senior Westminster group of the First Presbyterian Church. Tickets may be obtained at the First Presbyterian Church office in advance or at the box office on the evening of the concert.

Al Porter Leaves Tule

TULELAKE (U) — Resignation of Al Porter, city councilman since 1944, city water commissioner and long-time owner-operator of the Fairway Market was accepted Monday night by the council.

Porter who has been identified with the grocery business here for many years, first with the Sate-way Company, later the Red and White Store owned by E. L. Booth and for the past 10 years as owner of the Fairway is leaving for Sacramento where he will continue to be associated with the grocery business. Mrs. Porter and five children are already south.

The business is closed.

Porter, member of the Chamber of Commerce, the Rotary Club and active in all civic projects is being succeeded by E. J. (Ed) Duckett, who was ill last night and will be sworn in at a later meeting.

The home occupied by Mr. and Mrs. Porter, owned by Don Webster, Chico, has been sold to Clyde Parks.

DECORATED

LONDON (U) — Sixty veterans of the Korea and Malaya battlefields and nearly 200 civilians were decorated by Queen Elizabeth II at Buckingham Palace Tuesday.

Slater Heads Easter Sale

Lawrence E. Slater has been named chairman of the annual Easter Seal Sale in Klamath County. T. Lawson McCall, president of the Oregon Society for Crippled Children and Adults, which sponsors the sale, has announced.

The sale is held annually for a month-long period immediately preceding Easter Sunday, and the dates this year will be March 5 to April 5.

Assisting Slater will be the following persons: Mrs. Ruby Bell, county mailing chairman; Klamath Falls; Iris Pearson, publicity chairman; Mrs. Walter Brown, chairman of distribution of publicity material; Mrs. Joe Lovell, lily sale chairman; assisted by Mrs. W. A. Hilt, Gilchrist; Mrs. Jean Ravizza, Clifton.

The task of preparing the Easter Seals for mailing to residents of Klamath County has been under way for several weeks. The first seals will go into the mail Thursday, and Slater has urged the county's residents to respond as early as possible.

Slater explained that the Oregon Society for Crippled Children and Adults offers its services and facilities to those persons who cannot qualify for assistance from any other agency, either public or private.

The society operates the Children's Hospital School at Eugene, where crippled children from over 20 Oregon counties receive special education and training. It also operates the Craft Shop of the handicapped in Portland, where articles made by handicapped persons are sold at retail.

Assistance is also provided for individuals needing medical and surgical care and for those requiring speech treatment.

Indians To Get Payment

KLAMATH AGENCY (U) — A per capita payment of \$300 to 1,200 Indian members of the Klamath Indian tribe is to be paid sometime this month, on or about March 20.

The payment will total \$360,000 and is the first per capita payment of this year for the Indians.

A tribal roll is now being processed at Klamath Agency from which the payments will be made. Money for the per capita payments accrues from the proceeds of timber sales, grazing leases and other income-producing tribal assets.

Your Irrigating system pays for itself when it's Concrete Pipe

The dividends you get from your irrigation system of concrete pipe soon pay for the system — and the pipe continues faithfully serving and regularly paying its annual dividends for years without number.

Once properly installed, the savings in water, labor and weed control keep piling up — and help to return your original investment, but to help produce better crops at lower costs.

Write for the name of your nearest member of
