

LIVES RARE ABDOMINAL PREGNANCY — The kinawen wife of Cecil Ray Bannister of Festus, a newborn baby after they both survived a rare pregnancy. The delivery was made through a hole into the abdomen. Attending physicians said such cases occur only once in 300,000 cases and only 10 have reached full term and survived.

Leaders Say Baby Ahead of Food

— Farm officials say the baby crop is ahead of the food crop. Scientists do some-

Shaw, head of the Department's research, said the present abundance of food is only temporary. A speech prepared for scientists and industrialists at a meeting of the Chemurgic Council is growing at the rate of 2 1/2 million persons a year to fill a state the size of Ohio to their human beings. Estimated 3,889,000 in last year, a record crop. Deaths cut
