## you owe it to your family to safety-test the world's first safety-first car

For your family, get the safest car you can buy — the Kaiser.

Kaiser is so far ahead in safety — as it certainly is in luxury and style — that it may be years before other cars catch up.

Only by testing Kaiser's revolutionary new safety engineering advances can you know how safe a car can now be. So for your own peace of mind, come in and safety-test this Kaiser today!

Test Kaiser's "Full-Control" steering! With your fingertips! See how easily the wheel turns. Feel the direct action of Kaiser's positive Full-Control Steering!

Test Kaiser's "Control Tower" visibility! Through the largest glass area in any sedan. Both front fenders easily visible — plus the road ahead as close as 10 feet. No "blind spots" because corner posts are slanted back out of vision!

Test Kaiser's "World's Safest Front Seat"! Note the safety-mounted windshield, the safety-padded instrument panel. Safety features commended by "Parents' Magazine," exclusive with Kaiser. Come in and test them today!
